## PART III. DECREASE OF CORPORATE LIMITS BY MINOR BOUNDARY ADJUSTMENT.

### §8-7-4. Decreasing corporate limits by minor boundary adjustment.

In the event a municipality desires to decrease its corporate limits by making a minor boundary adjustment, the governing body of such municipality may apply to the county court of the county wherein the municipality or the major portion of the territory thereof is located for permission to effect such decrease in the corporate limits by minor boundary adjustment.

Such application shall disclose the number of individuals residing in the territory which would be eliminated from the corporate limits by the proposed change, and shall have attached thereto an accurate map showing the metes and bounds of such territory.

If satisfied that the change sought is only a minor boundary adjustment, the county court shall order publication of a notice of the proposed decrease in the corporate limits and of the date and time set by the court for a hearing on such proposal. Publication shall be as in the case of an order calling for an election, as set forth in section two of this article. A like notice shall be prominently posted at not less than five public places within the territory which would be eliminated from the corporate limits by the proposed change.

If the freeholders of such territory who are present or are represented at the hearing are not substantially opposed to the proposed boundary change, the court may enter an order decreasing the corporate limits of the municipality as requested, which order may be reviewed by the circuit court as an order of a county court ordering an election may be reviewed under section sixteen, article five of this chapter. After the date of such order, the corporate limits of the municipality shall be as set forth therein, unless judicial review is sought under the provisions of said section sixteen. If the proposed change is substantially opposed at the hearing by any such freeholder, the court shall dismiss the application. Dismissal of any such application shall not preclude proceedings in accordance with the provisions of sections two and three of this article. The municipality shall pay the costs of all proceedings under this section.
