WEST VIRGINIA CODE: §9-5-10

§9-5-10. Continuation of present aid; contributions by counties.

Except as otherwise provided in this chapter, aid or assistance rendered under existing law shall not be deemed to be discontinued.

County courts may contribute in-kind services or money into a special fund of the state department of welfare to expand the general welfare programs for citizens of its county. No part of this fund shall revert to the general revenue of the state.
