(e) The rules proposed by the secretary shall provide for the means by which the department shall cooperate with federal, state, and other agencies to fulfill the objectives of the system of adult protective services.

§9-6-3. Cooperation among agencies; termination and reduction of assistance by commissioner.

The secretary shall direct the coordination of the investigation of complaints of abuse, neglect, or financial exploitation made pursuant to this article, and the various agencies of the department, the adult protective services system, the state and regional long-term care ombudsmen, administrators of nursing homes or other residential facilities, county prosecutors, and any other applicable state or federal agency shall cooperate among each other for the purposes of observing, reporting, investigating, and acting upon complaints of abuse, neglect, or financial exploitation of any vulnerable adult or facility resident in this state.

§9-6-4. Action to abate abuse, neglect, emergency, or financial exploitation.

The department or any reputable person may bring and maintain an action against any person having actual care, custody, or control of a vulnerable adult, for injunctive relief, including a preliminary injunction, to restrain and abate any abuse, neglect, or financial exploitation of a vulnerable adult or to abate an emergency situation. In any such proceeding the court shall appoint a guardian ad litem, to protect the interests of the vulnerable adult, who shall not be an employee of the state, nor be a party to the proceeding, nor be selected by, or in the employ of, any party to the proceeding: *Provided*, That the court may by order terminate assistance granted or paid to any person found to have abused, neglected, or financially exploited a vulnerable adult and order any such assistance to be paid to another person solely for the use and benefit of such abused, neglected, or financially exploited person, and grant such other equitable relief as may be appropriate in the circumstances to restrain and abate such abuse or neglect: *Provided, however*, That in the case of an action to abate an emergency situation, the court may grant the relief authorized in §9-6-5 of this code.

§9-6-5. Emergency immediate remedial treatment; procedure.

Whenever a circuit court shall find in an action to abate an emergency situation that there is probable cause to believe that a vulnerable adult is in an emergency situation and that the person or persons having the immediate care, custody, and control of such vulnerable adult refuses to take necessary steps to alleviate such emergency, or that such vulnerable adult is without the actual care, custody, and control of any persons, it may issue an order of attachment for such vulnerable adult and direct that the peace officer executing the same deliver such vulnerable adult in his custody to a hospital or other safe place except a jail, for immediate remedial treatment to reduce or avoid the risk of death or serious injury. In the event that an order of attachment is issued pursuant to this section, any peace officer executing the order, and such employees of the department the peace officer directs to accompany him, may enter into the place of abode to remove such vulnerable person, notwithstanding the residence therein of other persons.

If any employee or officer of the department shall by direct observation of a vulnerable adult not in the immediate care, custody, or control of another, have reasonable cause to believe that such vulnerable person is then and there in an emergency situation, then such officer or employee may offer transportation to a hospital or other safe place, other than a jail, to such vulnerable adult for immediate remedial treatment to reduce or avoid the risk of death or serious injury.

Immediately upon delivery of any vulnerable person to such hospital or other safe place, such officer or employee shall apply to the circuit court for and the court shall appoint, and in the case of an attachment the court shall contemporaneously with its issuance appoint, a guardian ad litem who shall not be an employee of the state, nor be an interested party, nor be selected by, nor in the employ of, any interested party, to represent the interests of such vulnerable adult, and the court shall fix a time, not later than one judicial day later, to determine if such remedial treatment shall continue or such vulnerable adult should be released. A copy of that attachment and notice of such hearing shall be served on any person in whose actual care, custody, and control such vulnerable adult is found. If further remedial treatment is required, application shall be promptly made to the county commission or such other proper tribunal for appropriate relief: *Provided*, That the commitment for further remedial treatment may be continued until proceedings for such appropriate relief be concluded: *Provided, however*, That application for release from such remedial treatment may be made and granted at any time that the emergency ceases.

§9-6-6. Payment and termination of payment for services to a vulnerable adult.

If any vulnerable adult requires and is granted remedial treatment for an emergency, or the department determines that a vulnerable adult is abused, neglected, or financially exploited, the department may pay any assistance granted for the use and benefit of such vulnerable adult to the person actually providing care for such adult, and terminate payments to any person alleged or shown to have abused, neglected, or financially exploited such vulnerable adult, or to whom such payments were made prior to such remedial treatment, for so long as such remedial treatment continues, or until such abuse, neglect, or financial exploitation is abated, and such vulnerable adult continues to be in the immediate care, custody, and control of such person.

§9-6-7. Comprehensive system of adult protective services; compulsory assistance prohibited.

The department shall develop a plan for a comprehensive system of adult protective services, including social casework, medical and psychiatric services, home care, day care, counseling, research, and others to achieve the goals of this article.

It shall offer such services as are available and appropriate in the circumstances to persons who, other than for compensation, have or intend to have the actual, physical custody and control of a vulnerable adult and to such vulnerable adults or to adults who may request and be entitled to such protective services: *Provided*, That except as expressly provided in this article, the department may not directly or indirectly compel the acceptance of such services by any person or discriminate against a person who refuses such services.

(g) The identity of any person reporting abuse, neglect, or financial exploitation of a vulnerable adult may not be released without that person's written consent to any person other than employees of the department responsible for protective services or the appropriate prosecuting attorney or law-enforcement agency. This subsection grants protection only for the person who reported the abuse, neglect, or financial exploitation and protects only the fact that the person is the reporter. This subsection does not prohibit the subpoena of a person reporting the abuse, neglect, or financial exploitation when deemed necessary by the prosecuting attorney or the department to protect a vulnerable adult who is the subject of a report, if the fact that the person made the report is not disclosed.
