ENROLLED BILL
(EXTRAORDINARY SESSION)

Senate Bill No. 51

(By Mr. Smith)

Passed August 19, 1932

In Effect from Passage
ENROLLED BILL
(S. B. No. 51)

[Passed August 19, 1932; in effect from passage.]

"AN ACT to amend and re-enact sections seven, nine and ten of chapter ninety-two of the acts of the legislature of West Virginia of one thousand nine hundred and twenty-nine, entitled 'AN ACT to create and establish a joint-district high school for the districts of Sheridan, Laurel hill, and Harts creek, in the county of Lincoln, upon the site of Guyan valley high school, and to provide for the maintenance thereof, and for the erection of future units thereto.'"

Be it enacted by the Legislature of West Virginia:

That sections seven, nine and ten of chapter ninety-two of the acts of the legislature of West Virginia of one thousand nine hundred and twenty-nine be amended and re-enacted so as to read as follows:

Section 7. The said board of education may make provisions for the transportation of high school pupils entitled to attend
said high school, and, for this purpose, it may purchase school
busses and employ capable drivers therefor at not more than
sixty-five dollars per month for the regular school term. Said
school busses may only be used on county or state roads.
The board shall, where it is impracticable to provide transpor-
tation for any pupil, allow such pupil, while attending said
high school, an optional sum per month in lieu of transportation,
such sum to be the same for all pupils affected by this clause,
and such sum to be established for each term by action of said
board at a date preceding the opening of the term and to not
exceed fifteen dollars per month. Provided, That in no case,
shall any such allowance be furnished to any pupil living with-
in three miles of the high school by the nearest traveled way, or
within two miles, by such traveled way, of any point where
transportation facilities furnished by the board may be reached.
Sec. 9. The salary of each commissioner of the said high
school board of education and the commissioner acting as presi-
dent, as herein provided, shall be five dollars per day for not
more than fifteen days in any one year. The said high school
board of education may annually make proper provisions for a
summer school of nine weeks, in accordance with the recommen-

7 dation of the principal of said Guyan valley high school, and
8-9 under his supervision. Said summer school shall be conducted
10 in such a manner as to maintain the first-class standing of the
11 high school. Teachers for such summer school shall be em-
12 ployed as herein provided for the regular term, and their
13 salaries shall be fixed for the summer school by the board.
14 Transportation for the summer term may be provided at the
15 discretion of the board and under such conditions as may be
16 decided upon by the board. There shall be no allowance paid
17 to students in lieu of transportation during the summer school.
18 No pupil shall be entitled to enter Guyan valley high school
19 until the principal of the said school shall have satisfied him-
20 self that the said pupil has made due proficiency in the grades
21 below the one he wishes to enter.

Sec. 10. At any time after the first of January, in any year,
2 the said board of education shall elect a principal of Guyan
3 valley high school, for a period of not more than one year, and
4 fix his salary. Said principal shall be qualified according to the
5 provisions established by the West Virginia state department
6 of education for principalship of a first class high school. It
7 shall be the duty of said principal to keep himself constantly
8 acquainted with the conditions of the high school and to make
9 definite recommendations to the board of education for the
10 efficient working and control of said high school, and he shall
11 have final authority and control in determining the discipline
12 and management of said school. He shall investigate and nomi-
13 nate to the board a sufficient number of thoroughly qualified
14 teachers and a librarian or other assistants as, in his discretion,
15 may be necessary to conduct the high school in such a way as to
16 insure its first-class rating. He may, in case of sickness or other
17 emergencies, employ substitutes to be paid at the expense of
18 teachers or other employees off duty.
