Be it enacted by the Legislature of West Virginia:

Section 1. The board of education of Jackson county is hereby authorized to construct, equip, maintain and operate a high school building in and for said county at a total cost of not to exceed two hundred thousand dollars. Said board is authorized to borrow funds from the public works administration or other governmental agency authorized to make loans, for the purpose of constructing and equipping said school, and shall also have the right to purchase additional land on which to build same, within the discretion of the board. Said board is authorized to issue bonds for the purpose of paying the cost of such land, building and equipment, and to pledge a sufficient amount of revenue within the constitutional limitation and within the limitation as provided by general law, to pay the interest on and principal of said bonds within a period not to exceed thirty years. Said board is further authorized and empowered to do and perform any and all acts and make all contracts necessary to effectuate the general purposes of this act, including the acquisition by original grant, purchase or other lawful means of all necessary permits, easements and other rights in real estate, and title to and possession thereof, and/
21 or to make such purchase with the money borrowed, as pro-
22 vided in this section. Said board of education shall have au-
23 thority to make such contracts, agreements and covenants be-
24 tween it and the public works administration or other govern-
25 mental agency, for the loan of said funds and securing payment
26 thereof as they may be able to effectuate, subject only to this
27 limitation, that the bonds issued or given as security thereof
28 shall be payable solely out of the levies now provided for by
29 general law, to be levied by said county board in and for Jack-
30 son county, and to construct, equip, maintain and operate such
31 high school, and to make and enter into such contracts, and to
32 do and perform such acts as may be necessary to the construc-
33 tion, operation and maintenance of such high school, subject
34 to such burdens, restrictions and encumbrances as it may be nec-
35 essary to incur and bear in securing such funds for construc-
36 tion.

37 Bonds issued hereunder shall be exempt from taxation by the
38 state of West Virginia or any county, district or municipality
39 thereof.

Sec. 2. There shall be, and there is hereby created a statu-
2 tory mortgage lien upon the high school and real estate so ac-
quired or constructed from the proceeds of bonds authorized
to be issued under section one of this act, which shall exist in
favor of the holder of said bonds, and each of them, and to and
in favor of the holder of the coupons attached to said bonds,
and such high school shall remain subject to such statutory
mortgage lien until payment in full of the principal and in-

provisions of this act, or of any coupons representing interest
accrued thereon, may, either at law or in equity, enforce the
statutory mortgage lien hereby conferred and may, by proper

to apply the income, rents or other revenue in conformity with
this act and the order providing for the issuance of said bonds.
Sec. 3. Said board of education issuing bonds under the provisions of this act shall thereafter, so long as any such bonds, or other evidences of indebtedness, remain outstanding, operate and maintain said high school so as to provide revenues as will be sufficient to pay all operating costs, provide a depreciation fund, retire the bonds and pay the interest requirements thereon as the same may become due. The amounts, as and when so set apart by said county board of education, shall be remitted to the state sinking fund commission at least thirty days previous to the time interest or principal payments become due, to be retained and paid out by said commission consistent with the provisions of this act and the order pursuant to which such bonds have been issued. The state sinking fund commission is hereby authorized to act as fiscal agent for the administration of such sinking fund under any order passed pursuant to the provisions of this act and shall invest all sinking funds, as provided by general law. Bonds issued under the provisions of this act are hereby declared to be and to have all the qualities of negotiable instruments. Such bonds shall bear interest at not more than six per cent per annum, payable semiannually, and shall mature in not more than thirty years from their date.
