Be it enacted by the Legislature of West Virginia:

Section 1. The board of education of Mercer county is hereby authorized to construct, equip, maintain and operate a high school building for colored persons in the city of Bluefield, in and for said county, at a total cost of not to exceed one hundred thousand dollars. Said board is authorized to borrow funds from the public works administration or other governmental agency authorized to make loans, for the purpose of constructing and equipping said school, and shall also have the right to purchase additional or other land on which to build same, within the discretion of the board. Said board is authorized to issue bonds for the purpose of paying the cost of such land, building and equipment, and to pledge a sufficient amount of revenue within the constitutional limitations, and within the limitations as provided by general law, to pay the interest on and principal of said bonds within a period not to exceed thirty years. Said board is further authorized and empowered to do and perform any and all acts and make all contracts necessary to effectuate the general purposes of this act, including the acquisition by original grant, purchase or other lawful means of all necessary permits, easements and other rights in
real estate, and title to and possession thereof, and/or to make such purchase with the money borrowed, as provided in this section. Said board of education shall have authority to make such contracts, agreements and covenants between it and the public works administration or other governmental agency, for the loan of said funds and securing payment thereof as they may be able to effectuate, subject only to this limitation, that the bonds issued or given as security thereof shall be payable solely out of the levies now provided for by general law, to be levied by said county board in and for Mercer county, and to construct, equip, maintain and operate such high school, and to make and enter into such contracts, and to do and perform such acts as may be necessary to the construction, operation and maintenance of such high school, subject to such burdens, restrictions and encumbrances as it may be necessary to incur and bear in securing such funds for construction.

Bonds issued hereunder shall be exempt from taxation by the state of West Virginia or any county, district or municipality thereof.

Sec. 2. There shall be and there is hereby created a statutory mortgage lien upon the high school and real estate so acquired
or constructed from the proceeds of bonds authorized to be issued under section one, of this act, which shall exist in favor of the holder of said bonds, and each of them, and to and in favor of the holder of the coupons attached to said bonds, and such high school shall remain subject to such statutory mortgage lien until payment in full of the principal and interest of said bonds. Any holder of bonds issued under the provisions of this act, or of any coupons representing interest accrued thereon, may, either at law or in equity, enforce the statutory mortgage lien hereby conferred and may, by proper suit, compel the performance of the duties of the officials of the said board of education set forth in this act. If there be default in the payment of the principal of and/or interest upon any of said bonds, or other evidences of indebtedness, any court having jurisdiction in any proper action may appoint a receiver to administer said high school on behalf of the said board of education, with power to charge and collect rents or income sufficient to provide for the payment of said bonds and interest thereon, and for the payment of the operating expenses, and to apply the income, rents or other revenue in conformity with this act and the order providing for the issuance of said bonds.
Sec. 3. Said board of education issuing bonds under the provisions of this act shall thereafter, so long as any such bonds, or other evidences of indebtedness, remain outstanding, operate and maintain said school so as to provide revenues as will be sufficient to pay all operating costs, provide a depreciation fund, retire the bonds and pay the interest requirements thereon as the same may become due. The amounts, as and when so set apart by said county board of education, shall be remitted to the state sinking fund commission at least thirty days previous to the time interest or principal payments become due, to be retained and paid out by said commission consistent with the provisions of this act and the order pursuant to which such bonds have been issued. The state sinking fund commission is hereby authorized to act as fiscal agent for the administration of such sinking fund under any order passed pursuant to the provisions of this act and shall invest all sinking funds, as provided by general law. Bonds issued under the provisions of this act are hereby declared to be and to have all the qualities of negotiable instruments. Such bonds shall bear interest at not more than six per cent per annum, payable semiannually, and shall mature in not more than thirty years from their date.

In case any of the officers whose signatures appear on the bonds or coupons shall cease to be such officers before the delivery of such bonds, such signatures shall, nevertheless, be valid and sufficient for all purposes the same as if they had remained in office until such delivery. The proceeds of such bonds shall be used solely for the payment of the cost of land, buildings and equipment thereon, and shall be checked out by the county board under such restrictions as are contained in the order providing for the issuance of said bonds. such bonds. Such fund may be used for the purchase of any of the
outstanding bonds payable from such fund at the market price,
but at not exceeding the price at which any of such bonds shall in
the same year be redeemable, and all bonds redeemed or pur-

or interpreted as to authorize or permit the said county board
of education to incur a debt for and on behalf of said board or
