ENROLLED

HOUSE BILL No. 439

(By Mr. jacobs)

PASSED March 9th, 1935

In Effect from Passage
AN ACT to amend and reenact section eleven, article one, chapter thirty-one of the code of West Virginia, one thousand nine hundred thirty-one, relating to the amendment by corporations of this state of their charters.

Be it enacted by the Legislature of West Virginia:

That section eleven, article one, chapter thirty-one of the code of West Virginia, one thousand nine hundred thirty-one, be amended and reenacted so as to read as follows:

Section 11. Every corporation of this state heretofore or hereafter incorporated may, from time to time and in the manner herein provided, when and as desired, amend its charter by addition to its corporate powers and purposes, or diminution thereof, or both; or by substitution of other powers and
purposes, in whole or in part, for those set forth in its charter; or by increasing or decreasing its authorized capital stock or classifying or reclassifying the same, by changing the number, par value, designations, preferences, or relative, participating, optional, or other special rights of the shares, or the qualifications, limitations or restrictions of such rights, or by changing shares with par value into shares without par value or shares without par value into shares with par value either with or without increasing or decreasing the number of shares; or by changing its corporate name, or by making any other change or alteration in its charter that may be desired; and any or all such changes or alterations may be effected by one amendment:

Provided, That every charter as so amended, changed or altered, shall contain only such provisions as it would be lawful and proper to have in an original agreement of incorporation made at the time of making such amendment.

Whenever issued shares having par value are changed into the same or a greater or less number of shares without par value, whether of the same or of a different class or classes of stock, the aggregate amount of the capital of the corporation represented by such shares without par value shall be the same
27 as the aggregate amount of capital represented by the shares
28 so changed; and whenever issued shares without par value are
29 changed into other shares without par value to a greater or
30 lesser number, whether of the same or of a different class or
31 classes, the amount of capital represented by the new shares
32 in the aggregate shall be the same as the aggregate amount
33 of capital represented by the shares so changed; and the amend-
34 ment of the charter of the corporation effecting any such
35 change shall set forth that the capital of the corporation will
36 not be reduced under or by reason of such amendment.

I certify that the foregoing bill, having been presented to the Governor for
his approval, and not having been returned by him to the House of the Legislature in
which it originated within the time prescribed by the constitution of the state, has
become a law without his approval.
