(By Mr. Johnston of Mercer)

[Passed February 24, 1939; in effect from passage.]

AN ACT to amend and reenact section eighteen, chapter twenty-five, acts of the Legislature of West Virginia, first extraordinary session, one thousand nine hundred thirty-three, relating to municipal revenue bonds for sewage works.

Be it enacted by the Legislature of West Virginia:

That section eighteen, chapter twenty-five, acts of the Legislature of West Virginia, first extraordinary session, one thousand, nine hundred thirty-three, be amended and reenacted to read as follows:

Section 18. The governing body shall provide by ordinance that the custody, administration, operation and maintenance of such works shall be under the supervision and control of a
sanitary board, created as herein provided. Such sanitary
board shall be composed of the mayor of the municipality and
two persons appointed by the governing body, one of
whom, during the construction period, must be a registered
professional engineer. The engineer member of the board
need not be a resident of said municipality. After the con-
struction of the plant has been completed, the engineer mem-
ber may be succeeded by a person not an engineer. No officer
or employee of the municipality whether holding a paid or
unpaid office, shall be eligible to appointment on said sanitary
board until at least one year after the expiration of the term of
his public office. Said appointees shall originally be appointed
for terms of two and three years respectively, and upon the
expiration of each such term and each succeeding term, an
appointment of a successor shall be made in like manner for
a term of three years. Vacancies shall be filled for an unex-
pired term in the same manner as the original appointment.
Each member shall give such bond, if any, as may be required
by ordinance. Such mayor shall act as chairman of the san-
tary board, which shall select a vice chairman from its members
and shall designate a secretary and treasurer (but the secre-
tary and the treasurer may be one and the same), who need not be a member or members of the sanitary board. The vice chairman, secretary and treasurer shall hold office as such at the will of the sanitary board. The members of the sanitary board shall receive such compensation for their services, either as a salary or as payments for meetings attended, as the governing body may determine, not in excess of twenty-five dollars per month for each member, and shall be entitled to payment for their reasonable expenses incurred in the performance of their duties. The governing body shall fix the reasonable compensation of the secretary and treasurer in its discretion, and shall fix the amount of bond to be given by the treasurer. All compensation, together with the expenses in this section referred to, shall be paid solely from funds provided under the authority of this act. The sanitary board shall have power to establish by-laws, rules and regulations for its own government.
