ENROLLED

Committee Substitute for

SENATE BILL No. 170

Originating in the Senate Committee on the Judiciary

(By Mr. ________________________)

PASSED March 9, 1945

In Effect from Passage
AN ACT to amend and reenact section one, article eleven, chapter eight of the code of West Virginia, one thousand nine hundred thirty-one, and further to amend said article by adding thereto two new sections to be designated section five-a and section five-b, for the purpose of facilitating the acquisition, construction, management and use of airports and for the advancement of aeronautics; defining aeronautical words, terms and phrases; and authorizing the
state and its political subdivisions to lease airports, grounds and portions thereof.

Be it enacted by the Legislature of West Virginia:

That section one, article eleven, chapter eight of the code of West Virginia, one thousand nine hundred thirty-one, be amended and reenacted and that said article be further amended by adding thereto two new sections to be designated section five-a and section five-b, for the purpose of facilitating the acquisition, construction, management and use of airports and for the advancement of aeronautics, all to read as follows:

Section 1. Definitions.—As used in the statutes of West Virginia, unless the context otherwise requires:

(a) "Aeronautics" means transportation by aircraft; the operation, construction, repair, or maintenance of aircraft, aircraft power plants and accessories, including the repair, packing, and maintenance of parachutes; the design, establishment, construction, extension, operation, improvement, repair, or maintenance of airports, restricted landing areas, or other air navigation facilities, and air instruction.

(b) "Aircraft" means any contrivance now known, or
hereafter invented, used or designed for navigation of
or flight in the air.

(c) "Public aircraft" means an aircraft used exclusively
in the service of any government of any state, territory,
or possession of the United States, or the District of Col-
umbia, but not including any government-owned aircraft
engaged in carrying persons or property for commercial
purposes.

(d) "Civil aircraft" means any aircraft other than a
public aircraft.

(e) "Airport" means any area of land or water desig-
nated and set aside for the landing and taking off of air-
craft and utilized or to be utilized, in the interest of the
public, for such purposes.

(f) "Board" means the West Virginia Board of Aero-
nautics; "State" or "this state" means the state of West
Virginia; and "director" means the director of aeronautics
of this state.

(g) "Restricted Area" means any area of land, water,
or both, which is used or is made available for the landing
and take-off of aircraft, the use of which shall, except in
case of emergency, be only as provided from time to time
by the board.

(h) "Air navigation facility" means any facility other
than the one owned or controlled by the federal govern-
ment, used in, available for use in, or designed for use in
aid of air navigation, including airports, restricted land-
ing areas, and any structures, mechanisms, lights, beacons,
marks, communicating systems, or other instrumentalities
or devices used or useful as an aid, or constituting an
advantage or convenience, to the safe taking-off, naviga-
tion, and landing of aircraft, or the safe and efficient
operation of maintenance of an airport or restricted land-
ing area, and any combination of any or all of such
facilities.

(i) "Air navigation" or "navigation" means the opera-
tion or navigation of aircraft in the air space over this
state, or upon any airport or restricted landing area within
this state.

(j) "Operation of aircraft" or "operate aircraft" means
the use of aircraft for the purpose of air navigation, and
includes the navigation or piloting of aircraft. Any per-
son who causes or authorizes the operation of aircraft, whether with or without the right of legal control (in the capacity of owner, lessee, or otherwise) of the aircraft, shall be deemed to be engaged in the operation of aircraft within the meaning of the statutes of this state.

(k) "Airman" means any individual who engages, as the person in command, or as pilot, mechanic, or member of the crew, in the navigation of aircraft while under way and (excepting individuals employed outside the United States, any individual employed by a manufacturer of aircraft, aircraft engines, propellers, or appliances to perform duties as inspector or mechanic in connection therewith, and any individual performing inspection or mechanical duties in connection with aircraft owned or operated by him) any individual who is directly in charge of the inspection, maintenance, overhauling, or repair of aircraft engines, propellers, or appliances; and any individual who serves in the capacity of aircraft dispatcher or air-traffic control-tower operator.

(l) "Air instruction" means the imparting of aero-
nautical information by any aeronautics instructor or in or by any air school or flying club.

(m) "Air School" means any persons engaged in giving, or offering to give, instruction, in aeronautics, either in flying or ground subjects, or both, for or without hire or reward, and advertising, representing, or holding himself out as giving or offering to give such instruction. It does not include any public school or university of this state, or any institution of higher learning duly accredited and approved for carrying on collegiate work.

(n) "Aeronautics instructor" means any individual engaged in giving instruction, or offering to give instruction, in aeronautics, either in flying or ground subjects, or both, for hire or reward, without advertising such occupation, without calling his facilities an "air school" or anything equivalent thereto, and without employing or using other instructors. It does not include any instructor in any public school or university of this state, or any institution of higher learning duly accredited and approved for carrying on collegiate work, while engaged in his duties as such instructor.
(o) "Navigable air space" means air space above the minimum altitudes of flight prescribed by the laws of this state or by regulations of the board consistent therewith.

(p) "Political subdivision" means any municipality, city, town, village or county.

(q) "Airport protection privileges" means easements through, or other interests in, air space over land or water, interests in airport hazards outside the boundaries of airports or restricted landing areas, and other protection privileges, the acquisition or control of which is necessary to insure safe approaches to the landing areas of airport and restricted landing areas and the safe and efficient operation thereof.

(r) "Airport hazard" means any structure, object of natural growth, or use of land, which obstructs the air space required for the flight of aircraft in landing or taking off at any airport or restricted landing area or is otherwise hazardous to such landing or taking off.

(s) "Airport hazard area" means any area of land or water upon which an airport hazard might be established if not prevented as provided in this article.
(t) "Structure" means any object constructed or installed by men, including, but without limitation, buildings, towers, smokestacks, and overhead transmission lines.

(u) "Tree" means any object of natural growth.

(v) "Person" means any individual, firm, co-partnership, corporation, company, association, joint stock association, or body politic, and includes any trustee, receiver, assignee, or other similar representative thereof.

(w) The single shall include the plural and the plural the singular.

Sec. 5-a. Federal Aid—(a) The board is authorized to cooperate with the government of the United States, and any agency or department thereof, in the acquisition, construction, improvement, maintenance and operation of airports and other air navigation facilities in this state, and is authorized to accept federal aid either outright or by way of matching the same in whole or in part as may be required, and to comply with the provisions of the laws of the United States and any regulations made there-
under for the expenditure of federal moneys upon such
airports and other navigation facilities.

(b) The Board is authorized to accept, receive, and
receipt for federal moneys and other moneys, either pub-
lic or private, for and in behalf of this state, or any
county or municipality thereof, for the acquisition, con-
struction, improvement, maintenance, and operation of
airports and other air navigation facilities, whether such
work is to be done by the state or by such county or
municipality, or jointly, aided by grants of aid from the
United States, upon such terms and conditions as are or
may be prescribed by the laws of the United States and
any rules or regulations made thereunder, and it is hereby
designated as the agency of the state to, and is au-
thorized to and may act as agent of any county or munici-
pality of this state upon the request of such county or
municipality, in accepting, receiving and receipting for
such moneys in its behalf for airports or other air navi-
gation facility purposes, and in contracting for the ac-
quision, construction, improvement, maintenance, or
operation of airports or other air navigation facilities,
31 financed either in whole or in part by federal moneys;
32 and the governing body of any such county or munici-
33 pality is authorized to and may, and the state hereby does
34 designate the board as its agent for such purposes and to
35 enter into an agreement with it prescribing the terms and
36 conditions of such agency in accordance with federal laws,
37 rules and regulations and with this act. Such moneys as
38 are paid over by the United States government shall be
39 retained by the state or paid over to said counties or
40 municipalities under such terms and conditions as may be
41 imposed by the United States government in making such
42 grants.
43  (c) All contracts for the acquisition, construction, im-
44 provement, maintenance, and operation of airports, or
45 other air navigation facilities made by the board, either
46 as the agent of this state or as the agent of any county or
47 municipality, shall be made pursuant to the laws of this
48 state governing the making of like contracts: Provided,
49 however, That where the acquisition, construction, im-
50 provements, maintenance, and operation of any airport,
51 landing strip, or other air navigation facility is financed
wholly or partially with federal moneys, the board, as
agent of the state, a county, or of any municipality there-
of, may let contracts in the manner prescribed by the
federal authorities, acting under the laws of the United
States, and any rules or regulations made thereunder, not-
withstanding any other state law to the contrary.

(d) All moneys accepted for disbursement by the board
pursuant to this section shall be deposited in the state
treasury, and, unless otherwise prescribed by the authority
from which the money is received, kept in separate funds,
designated according to the purposes for which the moneys
were made available, and held by the state in trust for
such purposes. All such moneys are hereby appropriated
for the purposes for which the same were made available,
to be expended in accordance with federal laws and regu-
lations and with this act. The board is authorized, whether
acting for this state or as the agent of any county or mu-
nicipality, or when requested by the United States govern-
ment or any agency or department thereof, to disburse
such moneys for the designated purposes, but this shall not
preclude any other authorized method of disbursement.
(e) The state and any county, incorporated city, town or village thereof is authorized to cooperate with the government of the United States, and any agency or department thereof, in the acquisition, construction, improvement, maintenance and operation of airports and other air navigation facilities in this state, and authorized to accept federal aid, either by way of outright grant or by matching the same in whole or in part as may be required, and to comply with the provisions of the laws of the United States and any regulations made thereunder for the expenditure of federal moneys upon such airports and other navigation facilities.

Sec. 5-b. The State and Political Subdivisions Empowered to Lease Airports, Landing Fields and Grounds.—The state, acting through the board, or any county, incorporated city, town or village owning, either severally or jointly with other like governmental units, an airport or landing field and any grounds used or useful in connection therewith may severally or jointly lease the same, for use as such airport or landing field and for any other purposes incidental to and not inconsistent therewith, for
a term not exceeding thirty years: Provided, however,
That no lease shall be executed by such owner or owners
of any such airport, landing field or grounds unless and
until such owner or owners shall have given notice by
publication once a week for two successive weeks in two
newspapers of opposite politics and of general circulation
in the territory of the governmental unit or units affected,
and by publication once a week for two successive weeks
in such other journal or magazine, or journals or maga-
zines, as such owner or owners may deem advisable, of
its or their intent to lease said airport, landing field or
grounds, which said notice shall accurately describe what
is proposed to be leased, the purpose or purposes for which
it may be used and the terms of said lease, and shall state
the time and place for the public opening of proposals
for such lease, and shall reserve the right to reject any
and all proposals. Nothing herein contained, however,
shall prevent such owner or owners of such airport,
landing field or grounds from granting or renting landing
rights for airplanes, hangar space, gasoline storage or
handling facilities ticket or general office space, or any
other facilities or rights in connection with such airport,
landing field or grounds, covering or affecting less than
the whole thereof, without notice and upon such terms
as such owner or owners may deem advisable. All in-
come received by a county court, or incorporated city,
town or village under the terms of any such lease or
grant shall be paid to the state sinking fund commis-
sion to retire the bonded indebtedness, if any, created for
the acquisition, building and construction of such air-
port, landing field or grounds. And if there be no such
outstanding bonded indebtedness, then such income to be
paid in to the general fund of such county, incorporated
city, town or village.
