[Passed March 7, 1945; In effect ninety days from passage.]

AN ACT to amend and reenact sections four, and eight, article five, chapter thirty of the code of West Virginia, one thousand nine hundred thirty-one, relating to pharmacists, assistant pharmacists and drug stores.

Be it enacted by the Legislature of West Virginia:

That sections four and eight, article five, chapter thirty of the code of West Virginia, one thousand nine hundred thirty-one, be amended and reenacted to read as follows:

Section 4. In order to be registered as a pharmacist
2 within the meaning of this article, an applicant shall be
3 a citizen of the United States, not less than twenty-one
4 years of age, shall present to the board of pharmacy satis-

5 factory evidence that he is a graduate of a recognized
6 school of pharmacy, as defined by the board of pharmacy,
7 and in addition thereto he shall have had at least one year
8 of practical experience in a drug store or in the armed
9 services of the United States under the instruction and
10 supervision of a registered pharmacist, and shall pass a
11 satisfactory examination by or under the direction of the
12 board of pharmacy.

13 Every applicant for registration as a pharmacist shall
14 present to the board of pharmacy satisfactory evidence
15 that he is a person of good moral character and not ad-
16 dicted to drunkenness or the use of narcotic drugs. The
17 board shall issue certificates of registration to all appli-
18 cants who successfully pass the required examination
19 and are otherwise qualified, and to all those whose
20 certificates or licenses the board shall accept in lieu of
21 an examination as provided in the next succeeding section.

Sec. 8. Every registered pharmacist and assistant
2 pharmacist within this state who desires to continue in
3 the practice of his profession, shall, on or before the
4 first day of July following the date on which this takes

5 effect, and thereafter, apply to the state board of phar-
6 macy for a renewal of his registration, or permit, and
7 shall transmit with his application the fees prescribed
8 by the next succeeding section of this article. If the
9 board shall find that the applicant has been legally

11 the certificate or permit, it shall issue to him a renewal
12 certificate attesting to that fact. Notification of the an-
13 nual renewal shall be given by the board at least thirty
14 days prior to the said first day of July. If any pharma-
15 cist or assistant pharmacist shall fail for a period of
16 ninety days after the first day of July to apply to the
17 board for a renewal of his registration, his name shall
18 be erased from the register of registered pharmacists
19 and assistant pharmacists, and such person, in order to
20 again become registered, shall be required to pay the
21 same fee as in the case of examination.
