Be it enacted by the Legislature of West Virginia:

That chapter seventeen of the code of West Virginia, one thousand nine hundred thirty-one, as amended, be amended by adding thereto a new article to be designated article five-a, to read as follows:

Article 5-A. Department of Motor Vehicles.

Section 1. Purposes.—It is hereby declared to be the purpose and policy of the Legislature in enacting this law to confer upon the department of motor vehicles of West
Virginia the power, authority and duty to regulate licenses, certificates of title, protection against operation of motor vehicles (financial responsibility of owners and operators), and licensing of chauffeurs and other motor vehicles of the state of West Virginia.

Sec. 2. Department of Motor Vehicles Created; Powers and Duties. — A department of the government of this state, to be known as the department of motor vehicles, is hereby created. It is the intent and purpose of this article, and it shall be liberally construed to accomplish that purpose, to transfer and consolidate under one administrative head in the department of motor vehicles of the state of West Virginia the automobile bureau and the safety responsibility division now operated under the state road commission of West Virginia and dealing with the subjects of the regulation of licenses, certificates of title, protection against operation of motor vehicles (financial responsibility of owners and operators) and licensing of chauffeurs and other motor vehicle operators as provided by articles six, seven, twenty and twenty-one of this chapter; and the department of motor vehicles of the state of
West Virginia shall succeed to and is hereby vested with all the powers, duties and jurisdiction now vested by law in the state road commission or commissioner of West Virginia to administer the motor vehicle laws:  Provided, however, Nothing in this article shall deprive the public service commissioner of West Virginia of any of the duties or powers now vested in it with regard to the regulation of motor vehicle carriers.

Sec. 3. Office of Commissioner Created; Appointment; Term.—The department of motor vehicles shall be directed by an executive officer to be designated as the commissioner of motor vehicles, who shall be appointed by the governor, with the advice and consent of the Senate. The commissioner shall be appointed for a four year term, to commence on the first day of July, one thousand nine hundred forty-seven. He shall devote his entire time to the duties of his office.

Sec. 4. Qualifications.—The commissioner at the time of his appointment and qualification shall be a citizen of the United States and a resident of the state of West Virginia, shall have been a qualified voter in the state for a
5 period of at least one year next preceding his appoint-

7 commissioner during his period of service as such shall
8 hold any other office under the laws of this state or of the
9 United States.

Sec. 5. Filling Vacancies.—All vacancies in the office
2 of the commissioner that occur while the legislature is not
3 in session shall be filled by appointment by the governor,
4 which appointment shall expire at the end of thirty days
5 after the date on which the Legislature next convenes.
6 Prior to the expiration of the thirty days the governor
7 shall transmit to the Senate for its approval an appoint-
8 ment for the unexpired portion of the regular term. Va-
9 cancies occurring during a session of the Legislature shall
10 be filled as regular appointments before the end of the ses-
11 sion and for the unexpired portion of the regular term.

Sec. 6. Oath and Bond.—The commissioner before en-
2 tering upon the duties of his office shall take and subscribe
3 to the oath prescribed by the constitution. He shall also
4 execute a bond in the penalty of twenty-five thousand
5 dollars, conditioned according to law, and approved by
the governor. The cost of such bond shall be borne by
the department as a part of the operating cost of the
department. The bond and the oath shall be filed with
the secretary of state.

Sec. 7. Offices.—The offices of the commissioner and
the department shall be located in the state capitol build-
ing. The commissioner shall keep his offices open at all
reasonable times for the transaction of public business.

Sec. 8. Salary and Expenses.—The commissioner shall
receive a salary of five thousand dollars and the necessary
traveling expenses incident to the performance of his
duties. Requisition for traveling expenses shall be accom-
panied by a sworn and itemized statement which shall
be filed with the auditor and permanently preserved as
a public record.

Sec. 9. Organization of Department; Assistants and
Employees.—The commissioner shall organize the depart-
ment in such manner as he may deem necessary to prop-
erly segregate and conduct the work of the department.
The commissioner shall employ such assistants and em-
ployees as may be necessary for the efficient operation
of his department, who shall possess all of the qualifications which may from time to time be prescribed for such positions by the commissioner. The duties and salaries of such assistants and employees shall be fixed by the commissioner, who shall have authority to remove the same at his will and pleasure.

The commissioner shall require every employee who collects fees or handles funds or who has custody of equipment and supplies belonging to the state to take the constitutional oath and give an official bond, with corporate surety, properly conditioned and in a sum to be fixed by the commissioner, which bond shall be approved by him and filed in the office of the secretary of state. The cost of such bond shall be borne by the department as a part of the operating cost of the department.

The commissioner shall fix their compensation, but the total compensation paid to assistants and employees shall not exceed in any one year the appropriation made by the Legislature for that purpose.

Sec. 10. Administration of Vehicle Laws; Issuance of Licenses, Etc.—The commissioner shall have charge of
the administration of the vehicle laws of this state, in-
cluding the collection of all license fees and charges, for-
feitures, costs and all other fees and charges arising there-
from or incident thereto. He shall issue all licenses, per-
mits, registration certificates, receipts and other official
documents provided for by this article; shall issue all
necessary notices, and keep all books; shall devise a sys-
tem of accounting which shall show accurately and con-
cisely the amounts of all moneys received and paid out
by him, the sources from which received, and the pur-
poses for which disbursed.

Sec. 11. Reciprocal Agreements with Other States.—
The motor vehicle commissioner in cooperation with the
state road commissioner, the public service commission
and the department of public safety may enter into such
reciprocal agreements as he may deem proper or expedi-
tent with the proper authorities of other states, regulating
the use, on the roads and highways of this state, of trucks,
automobiles and any other vehicles owned in such other
states and duly licensed under the laws thereof. The
commissioner may confer and advise with the proper
11 officers and legislative bodies of this and other states and
12 federal districts of the United States, to promote recip-
13 rocal agreements under which the registration of vehicles
14 owned in this state, and the licenses of operators and
15 chauffeurs residing in this state shall be recognized by
16 other states and federal districts.

Sec. 12. *Delegation of Powers and Duties.*—All pow-
2 ers and duties vested in the commissioner, except the
3 power to sign contracts, may be exercised by the ap-
4 pointees or employees of the commissioner, under his
5 direction; but the commissioner shall be responsible for
6 their acts.

Sec. 13. *Hearings and Proceedings before Commis-
2 sioner.*—In all hearings and proceedings before the com-
3 missioner, the evidence of witnesses and the production
4 of documentary evidence may be required at any desig-
5 nated place of hearing and summons may be issued by
6 him. In case of disobedience to a summons or other pro-
7 cess so issued, the commissioner or any party to the pro-
8 ceedings before the commissioner may invoke the aid
9 of any circuit court in requiring the evidence and testi-
mony of witnesses and the production of papers, books
and documents. Upon proper showing, such court shall
issue an order requiring such persons to appear before
the commissioner and produce all books and papers and
give evidence touching the matter in question. Any per-
son failing to obey such order may be punished by such
court as for contempt. A claim that any such testimony
or evidence may tend to incriminate the person giving
the same shall not excuse such witness from testifying,
but such witness shall not be prosecuted for any offense
concerning which he is compelled hereunder to testify.

Sec. 14. Legal Service Rendered Commissioner.—It
shall be the duty of the attorney general of this state
and of his assistants and of the prosecuting attorneys of
the several counties, to render to the commissioner, with-
out additional compensation, such legal services as it
shall require of them in the discharge of his duties under
the provisions of this article.

Sec. 15. Revenue Collected Paid to State Treasurer.—
Taxes and fees imposed and collected under the provi-
sions of this article shall be paid to the state treasurer
in the manner provided by law, and credited to the state road fund.

Sec. 16. *Administrative Expense.*—The expenses of the administration of the motor vehicle department shall be appropriated for that purpose from the state road fund.

Sec. 17. *Separability; Repeal.*—The provisions of this act shall be construed as separable and severable and should any provision or part hereof be held unconstitutional or for any reason invalid, the remaining provisions or parts shall not be thereby affected. All acts or parts of acts in conflict herewith are hereby repealed.
The Joint Committee on Enrolled Bills hereby certifies that the foregoing bill is correctly enrolled.
