AN ACT to amend and reenact section seven, article five, chapter eighteen of the code of West Virginia, one thousand nine hundred thirty-one, as last amended, relating to the disposal of school property and oil and gas leases.

Be it enacted by the Legislature of West Virginia:

That section seven, article five, chapter eighteen of the code of West Virginia, one thousand nine hundred thirty-one, as last amended, be amended and reenacted to read as follows:

Section 7. Disposal of School Property; Oil and Gas Leases.—If at any time the board shall ascertain that any building or any land no longer shall be needed for school purposes, the board may sell, dismantle, remove or relo-
cate any such buildings and sell the land on which
they are located, at public auction, after proper notice,
and on such terms as it orders, to the highest responsible
bidder. But in rural communities the grantor of the lands,
his heirs or assigns, shall have the right to purchase at
the sale, the land, exclusive of the buildings thereon, and
the mineral rights, at the same price for which it was
originally sold. The board by the same method pre-
scribed for the sale of school buildings and lands, may
also lease for oil or gas or other minerals any lands or
school sites owned in fee by it. The proceeds of such sales
and rentals shall be placed to the credit of such fund or
funds of the district as the board may direct: Provided,
That the provisions of this section concerning sale at
public auction shall not apply to boards of education sell-
ing or disposing of its property for a public use to the state
of West Virginia, or its political subdivisions, including
county courts, for an adequate consideration without con-
sidering alone the present commercial or market value of
the property.
