(BY MR. BOWERS)

[Passed February 15, 1949; in effect July 1, 1949.]

A BILL to amend and reenact section seven, article six, chapter nine of the code of West Virginia, one thousand nine hundred thirty-one, as amended, relating to general relief grants.

Be it enacted by the Legislature of West Virginia:

That section seven, article six, chapter nine of the code of West Virginia, one thousand nine hundred thirty-one, as amended, be amended and reenacted to read as follows:

Section 7. *Disposition by County Council.*—The county
2 council shall consider the record and the determination of
3 the county director. The council shall either grant or re-
4 fuse relief. If it grants relief, it shall specify the type and
5 amount of relief to be given. No recipient of a general

6 relief grant who obtains compensable employment shall,
7 by reason of such employment, suffer a reduction in the
8 amount of such grant, unless his earnings from the em-
9 ployment total more than an amount equal to the grant.
10 If his earnings total more than such grant, the amount of
11 the grant may be reasonably reduced, but not to the point
12 of discouraging the recipient thereof from seeking and
13 keeping compensable employment.
