WEST VIRGINIA LEGISLATURE
REGULAR SESSION, 1957

ENROLLED

HOUSE BILL No. 270

(Miss. [Signature])
(By Mr. [Signature])

PASSED March 7, 1957

In Effect 90 days from Passage
AN ACT to amend and reenact sections three, four and six, article eleven, chapter thirty of the code of West Virginia, one thousand nine hundred thirty-one, as amended, relating to chiropodists.

Be it enacted by the Legislature of West Virginia:

That sections three, four and six, article eleven, chapter thirty of the code of West Virginia, one thousand nine hundred thirty-one, as amended, be amended and reenacted to read as follows:

Section 3. Qualifications of Applicant for License.—An applicant for license shall furnish to the medical licensing board satisfactory proof that he is: (a) Twenty-one years of age or over; (b) of good moral character; (c) a graduate of a school of chiropody registered by the state department of education as being of proper standard, or that
he has been in the practice of chiropody in some other
state for at least five years, and of good standing in such
state, in which said state an examination is required by
law equal to the requirements of this state, and that said
applicant has taken the examination in said state and
received a license therein; (d) possessed of a minimum
education of graduation from a high school recognized by
the state department of education as being a proper
standard and at least two years of academic work of col-
legiate grade in a standard college of arts and sciences,
so recognized as being a proper standard by the state de-
partment of education; (e) a bona fide resident of the
state of West Virginia at the time of application.

Sec. 4. Examination for License; Issuance of License.—
The medical licensing board shall conduct examinations
for license to practice chiropody at the times and places
designated by it for conducting examinations for licenses
to practice medicine. Examinations shall be in English,
and in writing, and shall be of a scientific and practical
ccharacter. They shall cover the subjects of general and
special anatomy, physiology, hygiene and sanitation,
physics, chemistry, biology, embryology, histology, pathology, physical therapy, bacteriology, minor surgery, materia medica and thereapeutics, foot orthopedics and surgery, dermatology, and syphilology, roentgenology, physical diagnosis, didactic and clinical chiropody. The medical licensing board shall issue licenses to practice chiropody to successful applicants therefor after proper certificate has been presented certifying that the applicant after graduation has completed an internship of one year in a recognized school of chiropody.

Sec. 6. Limitations of Articles.—Nothing contained in this article shall be construed to prevent a registered practitioner of medicine in the state of West Virginia from practicing chiropody as a branch of his medical and surgical practice, physicians and surgeons of the United States of Army, Navy or Marine hospital service in actual discharge of their duties as such; nor to chiropodists living in other states and duly qualified to practice chiropody therein who shall be called in consultation into this state by a chiropodist already entitled to practice chiropody in this state.
The Joint Committee on Enrolled Bills hereby certifies that the foregoing bill is correctly enrolled.
