[Passed March 9, 1957; in effect January 1, 1958.]

AN ACT to amend section three, article seven, chapter twenty
of the code of West Virginia, one thousand nine hundred
thirty-one, as amended, relating to hunting and fishing
licenses.

Be it enacted by the Legislature of West Virginia:

That section three, article seven, chapter twenty of the code
of West Virginia, one thousand nine hundred thirty-one, as
amended, be amended and reenacted to read as follows:

Section 3. Where License Applications Made; Compen-
2 sation of Persons Issuing Licenses; Alien Permits.—Per-
sons eligible for any class license shall make application therefor, either in person or by agent, in writing or orally, as follows:

(1) For Class A, B, E, F, H, I, J, K, L and M license, to any county clerk or to any other person authorized by the director to issue licenses.

(2) For Class D-1 and Class D-2 licenses, to the county clerk of any county bordering the Ohio river, or to any other person in such county authorized by the director to issue licenses.

(3) For Class C license, to the commission; and for Class G license, to the commission, or its administrative employees at state parks or state forests.

Every person making application for any license shall pay, in addition to the license fees prescribed therefor in the preceding sections of this article, an additional fee of fifteen cents as compensation for the person issuing the license: Provided, however, That no additional fee shall be collected by any agent for issuing a national forest hunting and trapping Class I license, a national forest fishing Class J license, and only one fee of fifteen cents
shall be collected for issuing combination resident state-
wide hunting and fishing Class A-B licenses. All such
additional fees received by any county clerk shall be paid
by him into the general county fund.

Aliens desiring to procure licenses shall first apply to
the director for a permit to secure such license. If the
director satisfies himself that the applicant is legally
entitled to such license, and will observe the laws of this
state, and particularly the provisions of this chapter, he
may issue the permit. Permits, once issued, shall remain
in force until revoked. No issuing officer shall be required
to issue or deliver any license unless the applicant in-
forms him that the licensee is duly qualified and eligible
to receive the class of license applied for, and payment of
the required fee is made to such officer.
The Joint Committee on Enrolled Bills hereby certifies that the foregoing bill is correctly enrolled.
