(By Mr. Martinez)

PASSED March 8.....1957

In Effect July 1, 1957 Passage

ENROLLED
Senate Bill No. 294
(By MR. MARTIN)

[Passed March 8, 1957; in effect July 1, 1957.]

AN ACT to amend and reenact section one, article one-a, chapter twenty-five of the code of West Virginia, one thousand nine hundred thirty-one, as amended, relating to the imposition and collection of enrollment and other fees at state educational institutions.

Be it enacted by the Legislature of West Virginia:

That section one, article one-a, chapter twenty-five of the code of West Virginia, one thousand nine hundred thirty-one, as amended, be amended and reenacted, to read as follows:

Section 1. *Enrollment and Other Fees at Educational*
2 *Institutions; Refund of Fees.*—The governing boards of
3 state educational institutions shall fix enrollment, tuition,

4 registration, and other fees for each semester or school
5 term for the different classes or categories of students en-
6 rolling at the state educational institutions, and may in-
7 clude among such fees any one or more of the following:
8 (1) Health service fees; (2) infirmary fees, and (3) stu-
9 dent activities, recreational, athletic and extracurricular
10 fees. All fees collected under (1), (2) and (3), shall be
11 paid into special funds and shall be used only for the pur-
12 poses for which the fees are collected: *Provided, however,*
13 That the maximum fees to be collected under this section
14 for resident students shall not exceed two hundred dollars
15 per semester; and for nonresident students five hundred
16 dollars per semester. The schedule of fees, and any changes
17 therein, shall be entered in the minutes of the meetings of
18 the governing board, and the governing board shall file
19 with the state auditor and state budget director a certified
20 copy of such schedule and changes.

21 In addition to the fees mentioned in the preceding para-
22 graph, but subject to all requirements and within the
23 limits fixed thereby, the governing board of any state edu-
24 cational institution may impose and collect a student union

25 building fee. All such building fees collected at the in-
26 stitution shall be paid into a special fund and shall be used
27 only for the eventual construction and operation of a
28 student union building or for the renovation of an existing
29 structure for use as a student union building. Until such
30 time as the special fund, together with any other moneys
31 available for the purpose, may be large enough to defray
32 the cost of providing a student union building, all moneys
33 in the fund may be invested in any such bonds or other
34 securities as are now or may hereafter be authorized as
35 proper investments for state funds.

36 Refund, as an erroneous payment, may be made of any
37 such fees, upon the voluntary or involuntary withdrawal
38 from classes of any student, until eight weeks of the school
39 semester or term have expired, but no refund may be
40 made thereafter.

The Joint Committee on Enrolled Bills hereby certifies that the foregoing bill is correctly enrolled.
