AN ACT to amend and reenact section one, article one-a, chapter twenty-five of the code of West Virginia, one thousand nine hundred thirty-one, as amended, relating to the imposition and collection of enrollment and other fees at state educational institutions.

*Be it enacted by the Legislature of West Virginia:*

That section one, article one-a, chapter twenty-five of the code of West Virginia, one thousand nine hundred thirty-one, as amended, be amended and reenacted, to read as follows:

Section 1. *Enrollment and Other Fees at Educational Institutions; Refund of Fees.*—The governing boards of state educational institutions shall fix enrollment, tuition, registration, and other fees for each semester or school term for the different classes or categories of students enrolling at the state educational institutions, and

7 may include among such fees any one or more of the  
8 following: (1) Health service fees; (2) infirmary fees;  
9 (3) student activities, recreational, athletic and extra-  
10 curricular fees; and (4) graduate center fees, if the  
11 establishment of graduate centers of science and engineer-  
12 ing are otherwise authorized by law. All fees collected  
13 under (1), (2) and (3) shall be paid into special funds and  
14 shall be used only for the purposes for which the fees are  
15 collected, and all fees collected at any graduate center shall  
16 be paid into a special fund and shall be used solely for the  
17 maintenance and operation of the graduate center at  
18 which they were collected: *Provided, however,* That ex-  
19 cept in the case of graduate center fees, the maximum  
20 fees to be collected under this section for resident stu-  
21 dents shall not exceed two hundred dollars per semester;  
22 and for nonresident students, five hundred dollars per  
23 semester. The schedule of fees, and any changes therein,  
24 shall be entered in the minutes of the meetings of the  
25 governing board, and the governing board shall file with  
26 the state auditor and the director of the budget division  
27 a certified copy of such schedule and changes.

28 In addition to the fees mentioned in the preceding  
29 paragraph, but subject to all requirements and within  
30 the limits fixed thereby, the governing board of any  
31 state educational institution may impose and collect a  
32 student union building fee. All such building fees col-  
33 lected at the institution shall be paid into a special fund  
34 and shall be used only for the eventual construction and  
35 operation of a student union building or for the renova-  
36 tion of an existing structure for use as a student union  
37 building, or for the payment of the principal of and in-  
38 terest on any bonds issued to finance part or all of the  
39 construction of a student union building or the renova-  
40 tion of an existing structure for use as a student union  
41 building. Until such time as the special fund, together  
42 with any other moneys available for the purpose, may  
43 be large enough to defray the cost of providing a student  
44 union building, all moneys in the fund may be invested in  
45 any such bonds or other securities as are now or may  
46 hereafter be authorized as proper investments for state  
47 funds.

48 Refund, as an erroneous payment, may be made of any

49 such fees, upon the voluntary or involuntary withdrawal  
50 from classes of any student, until eight weeks of the  
51 school semester or term have expired, but no refund may  
52 be made thereafter.

The Joint Committee on Enrolled Bills hereby certifies that the foregoing bill is correctly enrolled.
