Section 14. License Plate for Amateur Radio Station Operators; Regulations.—Any owner of a motor vehicle who is a resident of the state of West Virginia, and who holds an unrevoked and unexpired official amateur radio station license and/or amateur class operators’ license
issued by the federal communications commission, upon application, accompanied by proof of ownership of such amateur radio station license, complying with the motor vehicle laws of the state relative to registration and licensing of motor vehicles, and upon payment of the registration, license and other fees required by law, and the payment of the additional special fee herein provided, shall be issued a license plate for a private passenger car, upon which, in lieu of the registration number prescribed by law, shall be inscribed the official amateur radio call letters of such applicant as assigned by the federal communications commission.
