AN ACT to amend and reenact sections three and twenty-two, article fourteen, chapter eleven of the code of West Virginia, one thousand nine hundred thirty-one, as amended, relating to the imposition of an excise tax on the sale of gasoline produced, purchased, sold or used in this state; purposes for which tax to be used and penalties for violations.

Be it enacted by the Legislature of West Virginia:

That sections three and twenty-two, article fourteen, chapter eleven of the code of West Virginia, one thousand nine hundred thirty-one, as amended, be amended and reenacted to read as follows:
Section 3. Amount, Measure and Lien of Tax; Notice of Discontinuance of Business.—There is hereby imposed upon every person who is a distributor, retail dealer or importer under the terms of this article, an excise tax based on the quantities of all gasoline produced, purchased, sold or used in this state, which tax shall be equivalent to seven cents per gallon on all gasoline. The tax shall be paid as hereinafter provided.

A distributor shall use as the measure of the tax the gallonage produced, purchased, sold or used in this state, as provided in section four of this article. Gallonage shall be included in the measure of the tax by refiners and producers when such gallonage has been placed into any tank from which withdrawals are made for sales or transfer to any other person.

An importer shall use as the measure of the tax the gallonage purchased and received for whatever use, as provided in section six of this article.

A retail dealer shall use as the measure of the tax the gallonage purchased or obtained by him, as provided in section five of this article.
The excise tax imposed by this article shall be paid by the person first producing, or receiving in this state, the gallonage of gasoline which under this article shall form the measure of such tax; but in no case shall any such gallonage be used more than once in determining taxes due hereunder.

The taxes imposed by this article are in addition to all other taxes now imposed by law.

The excise tax imposed by this article shall accrue from the date of production, purchase, sale or use of the gasoline. The penalties imposed by section thirteen of this article shall accrue from the date they become due and payable. A tax due and unpaid under this article shall be a debt due the state of West Virginia. It shall be a personal obligation of the taxpayer and shall be a lien in favor of the state of West Virginia upon all property and rights to property, whether real or personal, belonging to such taxpayer. The lien shall arise when a taxpayer fails to file his return and remit the tax at the time required by this article. Such lien shall not be valid or enforceable against a purchaser, including lien creditor, of real estate or per-
sonal property for a valuable consideration without no-
tice, unless docketed in the office of the clerk of the county
court as provided in sections one and two, article ten-c,
chapter thirty-eight of the code of West Virginia, one
thousand nine hundred thirty-one, as last amended and
reenacted by chapter ninety-nine, acts of the legislature,
regular session, one thousand nine hundred forty-three.

Whenever a distributor, importer or retail dealer ceases
to engage in business within this state by reason of the
discontinuance, sale or transfer of the business of such
distributor, importer or retail dealer, it shall be his duty
to notify the tax commissioner in writing at the time of
the discontinuance, sale or transfer. Such notice shall
give the date of discontinuance and in the event of the
sale or transfer of the business the date thereof and the
name and address of the purchaser or transferee thereof;
all taxes accruing under this article, but not yet due and
payable under the provisions of this article shall, notwith-
standing such provisions, become due and payable con-
currently with such discontinuance, sale or transfer, and
it shall be the duty of such distributor, importer or retail
64 dealer to make a report and pay all such taxes, and to sur-
65 render to the tax commissioner the license certificate
66 theretofore issued, under the provisions of this article.
67 Unless the notice shall have been given to the tax com-
68 missioner as above provided such purchaser or transferee
69 shall be liable to the state of West Virginia, for the
70 amount of all taxes and penalties, under the article ac-
71 crued against such distributor, importer or retail dealer
72 so selling or transferring his business, on the date of such
73 sale or transfer, but only to the extent of the value of the
74 property and business thereby acquired from such dis-
75 tributor, importer, or retail dealer.
76 The revenue provided from one cent tax per gallon on
77 gasoline imposed or levied by this section shall be used
78 for matching federal funds allocated for the interstate
79 road system in West Virginia.

Sec. 22. Taxes to Be Used for Road Purposes.—All taxes
2 collected under the provisions of this article shall be paid
3 into the state treasury and shall be used only for the pur-
4 pose of the construction, reconstruction, maintenance and
5 repair of roads and highways, payment of the interest and
sinking fund on state bonds issued for road purposes and the cost of administration and enforcement of this article by the tax commissioner, which cost of administration and enforcement shall not exceed one half of one per cent of the total net gasoline excise tax collections during the fiscal year commencing July one, one thousand nine hundred fifty-nine, and each fiscal year thereafter.

Unless necessary for such bond requirements, two sevenths of the taxes collected under the provisions of this article shall be used for secondary road purposes.
