The fund shall be only for the purpose of providing necessary medical services for recipients of assistance and of medi-
cal assistance for the aged, and any balance in the fund

shall not expire or revert. Payments shall be made out
of the fund upon requisition of the director by means of
a warrant signed by the auditor and treasurer.

Sec. 2. Payments Into Medical Services Fund.—The
fund shall consist of payments made into the fund with
respect to recipients of assistance and recipients of medi-

services and such federal grants-in-aid as are available
for these purposes under the federal social security act,
as amended. The amount of such payments into the fund

as determined by the director to be feasible in accordance
with section three of this article.

Sec. 3. Payments From Medical Services Fund.—Recipi-
ents of assistance and recipients of medical assistance for
the aged shall be entitled to have costs of necessary medi-

the extent and in the manner determined from time to time to be feasible by the director pursuant to rules, regulations and standards established by him. Such rules, regulations and standards shall be established on the basis of money available for the purpose, the number of recipients, the experience with respect to the incidence of illness, disease, accidents, and other causes among such recipients causing them to require medical services and the costs thereof, the amounts which recipients require otherwise in order to maintain a subsistence compatible with decency and health, and any other factors considered relevant and proper by the director.

Sec. 16. Public Assistance Lists and Records; Misuse.—

clerk of each county court in the state who shall immedi-
ately file the same in his office with respect to persons
receiving such assistance as residents of that county. Such
information shall be retained in the files of said clerks
of the county courts for a period of two years from the
date of receipt thereof. All information other than names,
addresses and amounts of such relief assistance shall be
considered as confidential.

It shall be unlawful, for commercial or political pur-
poses of any nature, for any person or persons, body,
association, firm, corporation or other agency to solicit,
disclose, receive, make use of, or to authorize, knowingly
permit, participate in, or acquiesce in the use of, any lists
of names of, or any information concerning, persons ap-
plying for or receiving relief assistance, directly or in-
directly derived from the records, papers, files, or com-
munications of the department of public assistance or
acquired in the course of performance duties. The viola-
