Sec. 4. Motorcycle.—"Motorcycle" means every motor vehicle having a seat or saddle for the use of the rider and designed to travel on not more than three wheels in contact with the ground, but excluding a tractor.

Sec. 5. Motor-Driven Cycle.—"Motor-driven cycle" means every motorcycle, including every motor scooter, with a motor which produces not to exceed five horsepower, and every bicycle with motor attached.

Sec. 6. Authorized Emergency Vehicle.—"Authorized emergency vehicle" means vehicles of the fire department, police vehicles, and such ambulances and emergency vehicles of municipal departments or public service corporations as are designated or authorized by the
commissioner or the chief of police of an incorporated city, and such privately owned ambulances and emergency vehicles as are designated by the commissioner.

Sec. 7. School Bus.—“School bus” means every motor vehicle owned by a public or governmental agency and operated for the transportation of children to or from school or privately owned and operated for compensation for the transportation of children to or from school.

Sec. 8. Bicycle.—“Bicycle” means every device propelled by human power upon which any person may ride, having two tandem wheels either of which is more than twenty inches in diameter.

Sec. 9. Truck Tractor.—“Truck tractor” means every motor vehicle designed and used primarily for drawing other vehicles and not so constructed as to carry a load other than a part of the weight of the vehicle and load so drawn.

Sec. 10. Farm Tractor.—“Farm tractor” means every motor vehicle designed and used primarily as a farm implement for drawing plows, mowing machines, and other implements of husbandry.
Sec. 11. **Road Tractor.**—"Road tractor" means every motor vehicle designed and used for drawing other vehicles and not so constructed as to carry any load thereon either independently or any part of the weight of a vehicle or load so drawn.

Sec. 12. **Truck.**—"Truck" means every motor vehicle designed, used or maintained primarily for the transportation of property.

Sec. 13. **Bus.**—"Bus" means every motor vehicle designed for carrying more than seven passengers and used for the transportation of persons; and every motor vehicle, other than a taxicab, designed and used for the transportation of persons for compensation.

Sec. 14. **Trackless Trolley Coach.**—"Trackless trolley coach" means every motor vehicle which is propelled by electric power obtained from overhead trolley wires but not operated upon rails.

Sec. 15. **Trailer.**—"Trailer" means every vehicle with or without motive power, other than a pole trailer, designed for carrying persons or property and for being drawn by a motor vehicle and so constructed that no part of its weight rests upon the towing vehicle.
Sec. 16. Semitrailer.—"Semitrailer" means every vehicle with or without motive power, other than a pole trailer, designed for carrying persons or property and for being drawn by a motor vehicle and so constructed that some part of its weight and that of its load rests upon or is carried by another vehicle.

Sec. 17. Pole Trailer.—"Pole trailer" means every vehicle without motive power designed to be drawn by another vehicle and attached to the towing vehicle by means of a reach, or pole, or by being boomed or otherwise secured to the towing vehicle, and ordinarily used for transporting long or irregularly shaped loads such as poles, pipes, or structural members capable, generally, of sustaining themselves as beams between the supporting connections.

Sec. 18. Pneumatic Tire.—"Pneumatic tire" means every tire in which compressed air is designed to support the load.

Sec. 19. Solid Tire.—"Solid tire" means every tire of rubber or other resilient material which does not depend upon compressed air for the support of the load.
Sec. 20. Metal Tire.—"Metal tire" means every tire the surface of which in contact with the highway is wholly or partly of metal or other hard non-resilient material.

Sec. 21. Railroad.—"Railroad" means a carrier of persons or property upon cars, other than streetcars, operated upon stationary rails.

Sec. 22. Railroad Train.—"Railroad train" means a steam engine, electric or other motor, with or without cars coupled thereto, operated upon rails, except streetcars.

Sec. 23. Streetcar.—"Streetcar" means a car other than a railroad train for transporting persons or property and operated upon rails principally within a municipality.

Sec. 24. Explosives.—"Explosives" means any chemical compound or mechanical mixture that is commonly used or intended for the purpose of producing an explosive and which contains any oxidizing and combustive units or other ingredients in such proportions, quantities, or packing that an ignition by fire, by friction, by concussion, by percussion, or by detonator of any part of the
8 compound or mixture may cause such a sudden generation of highly heated gases that the resultant gaseous pressures are capable of producing destructive effects on contiguous objects or of destroying life or limb.

Sec. 25. Flammable Liquid.—“Flammable liquid” means any liquid which has a flash point of seventy degrees Fahrenheit, or less, as determined by a tagliabue or equivalent closed-cup test device.

Sec. 26. Gross Weight.—“Gross weight” means the weight of a vehicle without load plus the weight of any load thereon.

Sec. 27. Commissioner.—“Commissioner” means the commissioner of motor vehicles of this state.

Sec. 28. Department.—“Department” means the department of motor vehicles of this state acting directly or through its duly authorized officers and agents.

Sec. 29. Person.—“Person” means every natural person, firm, copartnership, association, or corporation.

Sec. 30. Pedestrian.—“Pedestrian” means any person afoot.
Sec. 31. Driver.—“Driver” means every person who drives or is in actual physical control of a vehicle.

Sec. 32. Owner.—“Owner” means a person who holds the legal title of a vehicle or in the event a vehicle is the subject of an agreement for the conditional sale or lease thereof with the right of purchase upon performance of the conditions stated in the agreement and with an immediate right of possession vested in the conditional vendee or lessee, or in the event a mortgagor of a vehicle is entitled to possession, then such conditional vendee or lessee or mortgagor shall be deemed the owner for the purpose of this chapter.

Sec. 33. Police Officer.—“Police officer” means every officer authorized to direct or regulate traffic or to make arrest for violations of traffic regulations.

Sec. 34. Local Authorities.—“Local authorities” means every county, municipal, and other local board or body having authority to enact laws relating to traffic under the constitution and laws of this state.

Sec. 35. Street or Highway.—“Street” or “highway” means the entire width between the boundary lines of
every way publicly maintained when any part thereof is open to the use of the public for purposes of vehicular travel.

Sec. 36. Private Road or Driveway.—“Private road” or "driveway" means every way or place in private ownership and used for vehicular travel by the owner and those having express or implied permission from the owner, but not by other persons.

Sec. 37. Roadway.—“Roadway” means that portion of a highway improved, designed, or ordinarily used for vehicular travel, exclusive of the berm or shoulder. In the event a highway includes two or more separate roadways, the term “roadway” as used herein shall refer to any such roadway separately but not to all such roadways collectively.

Sec. 38. Sidewalk.—“Sidewalk” means that portion of a street between the curb lines, or the lateral lines of a roadway, and the adjacent property lines, intended for the use of pedestrians.

Sec. 39. Laned Roadway.—“Laned roadway” means a roadway which is divided into two or more clearly marked lanes for vehicular traffic.
Sec. 40. **Through Highway.**—"Through highway" means every highway or portion thereof at the entrances to which vehicular traffic from intersecting highways is required by law to stop before entering or crossing the same and when stop signs are erected as provided in this chapter.

Sec. 41. **Controlled-Access Highway.**—"Controlled-access highway" means every highway, street, or roadway in respect to which owners or occupants of abutting lands and other persons have no legal right of access to or from the same except at such points only and in such manner as may be determined by the public authority having jurisdiction over such highway, street, or roadway.

Sec. 42. **Intersection.**—"Intersection" includes: (a) The area embraced within the prolongation or connection of the lateral curb lines, or, if none, then the lateral boundary lines of the roadways of two highways which join one another at, or approximately at, right angles, or the area within which vehicles traveling upon different highways joining at any other angle may come in conflict; and
(b) Where a highway includes two roadways thirty feet or more apart, then every crossing of each roadway of such divided highway by an intersecting highway shall be regarded as a separate intersection. In the event such intersecting highway also includes two roadways thirty feet or more apart, then every crossing of two roadways of such highways shall be regarded as a separate intersection.

Sec. 43. Cross Walk.—"Cross walk" includes: (a) That part of a roadway at an intersection included within the connections of the lateral lines of the sidewalks on opposite sides of the highway measured from the curbs or, in the absence of curbs, from the edges of the traversable roadway; and (b) Any portion of a roadway at an intersection or elsewhere distinctly indicated for pedestrian crossing by lines or other markings on the surface.

Sec. 44. Safety Zone.—"Safety zone" means the area or space officially set apart within a roadway for the exclusive use of pedestrians and which is protected or is so marked or indicated by adequate signs as to be plainly visible at all times while set apart as a safety zone.
Sec. 45. Business District.—"Business district" means the territory contiguous to and including a highway when within any six hundred feet along such highway there are buildings in use for business or industrial purposes, including but not limited to hotels, banks, or office buildings, railroad stations, and public buildings which occupy at least three hundred feet of frontage on one side or three hundred feet collectively on both sides of the highway.

Sec. 46. Residence District.—"Residence district" means the territory contiguous to and including a highway not comprising a business district when the property on such highway for a distance of three hundred feet or more is in the main improved with residences or residences and buildings in use for business.

Sec. 47. Traffic-Control Devices.—"Traffic-control devices" means all signs, signals, markings, and devices not inconsistent with this chapter placed or erected by authority of a public body or official having jurisdiction, for the purpose of regulating, warning, or guiding traffic.
Sec. 48. Traffic-Control Signal.—“Traffic-control signal” means any device, whether manually, electrically, or mechanically operated, by which traffic is alternately directed to stop and to proceed.

Sec. 49. Railroad Sign or Signal.—“Railroad sign” or “signal” means any sign, signal, or device erected by authority of a public body or official or by a railroad and intended to give notice of the presence of railroad tracks or the approach of a railroad train.

Sec. 50. Traffic.—“Traffic” means pedestrians, ridden or herded animals, vehicles, streetcars, and other conveyances either singly or together while using any highway for purposes of travel.

Sec. 51. Right-of-Way.—“Right-of-way” means the privilege of the immediate use of the highway.

Sec. 52. Stop.—“Stop”, when required, means complete cessation from movement.

Sec. 53. Stop, Stopping, or Standing.—“Stop”, “stopping”, or “standing”, when prohibited, means any stopping or standing of a vehicle, whether occupied or not, except when necessary to avoid conflict with other traffic
or in compliance with the directions of a police officer or traffic-control sign or signal.

**Sec. 54. Park.**—“Park”, when prohibited, means the standing of a vehicle, whether occupied or not, otherwise than temporarily for the purpose of and while actually engaged in loading or unloading.

**Sec. 55. School Grounds.**—“School grounds” includes the land on which a school is built together with such other land used by students for play, recreation or athletic events while attending school.

**Article 2. Obedience to and Effect of Traffic Laws.**

**Section 8. Powers of Local Authorities.**—(a) The provisions of this chapter shall not be deemed to prevent local authorities with respect to streets and highways under their jurisdiction and within the reasonable exercise of the police power from:

1. Regulating the standing or parking of vehicles;
2. Regulating traffic by means of police officers or traffic-control devices;
3. Regulating or prohibiting processions or assemblies on the highways;
(4) Designating particular highways as one-way highways and requiring that all vehicles thereon be moved in one specific direction;

(5) Regulating the speed of vehicles in public parks;

(6) Designating any highway as a through highway and requiring that all vehicles stop before entering or crossing the same or designating any intersection as a stop intersection and requiring all vehicles to stop at one or more entrances at such intersection;

(7) Restricting the use of highways as authorized in section twelve, article seventeen of this chapter;

(8) Regulating the operation of bicycles and requiring the registration and licensing of same, including the requirement of a registration fee;

(9) Regulating or prohibiting the turning of vehicles or specified types of vehicles at intersections;

(10) Altering the speed limits as authorized herein;

(11) Adopting such other traffic regulations as are specifically authorized by this chapter.

(b) No local authority shall permit any parking on any state highway, or erect or maintain any stop sign or
traffic-control device at any location so as to require the traffic on any state highway to stop before entering or crossing any intersecting highway unless approval in writing has first been obtained from the state road commission. Any such approval may be withdrawn by a notice in writing from the state road commission.

(c) No ordinance or regulation enacted under subdivisions (4), (5), (6), (7), or (10), of paragraph (a) of this section shall be effective until signs giving notice of such local traffic regulations are posted upon or at the entrance to the highway or part thereof affected as may be most appropriate.

Article 3. Traffic Signs, Signals and Markings.

Section 4-a. Obedience to Traffic Control Instructions at Site of Street or Highway Construction or Maintenance.

The driver of any vehicle shall obey the traffic control instructions of persons authorized by the state road commissioner or by proper local authorities to operate traffic-control devices, act as flagmen, or operate follow-vehicles at or near the site of street or highway construction or maintenance work, for the purpose of regulating, warn-
ing or guiding traffic, subject to the exceptions granted
the driver of an authorized emergency vehicle in this
chapter. Any person failing to comply with the require-
ments of this section shall be guilty of a misdemeanor.

Sec. 8. Display of Unauthorized Devices, Signals, Signs,
or Markings.—(a) No local authority or person shall
place, maintain, or display upon or in view of any high-
way any unauthorized traffic control device or traffic con-
trol signal, or any unauthorized sign, signal, marking, or
device which purports to be or is an imitation of or re-
sembles an official traffic-control device or railroad sign
or signal, or which attempts to direct the movement of
traffic, or which hides from view or interferes with the
effectiveness of any official traffic-control device or any
railroad sign or signal, and no person shall place or main-
tain nor shall any public authority permit upon any high-
way any traffic control device bearing thereon any com-
mercial advertising. This shall not be deemed to prohibit
the erection upon private property adjacent to highways
of signs giving useful directional information and of a
type that cannot be mistaken for official signs.
(b) Every such prohibited device, signal, sign or marking is hereby declared to be a public nuisance and the state road commissioner or other authority having jurisdiction over the highway is hereby empowered to remove the same or cause it to be removed without notice.

Article 6. Speed Restrictions.

Section 1. Special Restrictions.—(a) No person shall drive a vehicle on a highway at a speed greater than is reasonable and prudent under the conditions and having regard to the actual and potential hazards, then existing. In every event speed shall be so controlled as may be necessary to avoid colliding with any person, vehicle, or other conveyance on or entering the highways in compliance with legal requirements and the duty of all persons to use due care.

(b) Where no special hazard exists that requires lower speed for compliance with paragraph (a) of this section the speed of any vehicle not in excess of the limits specified in this section or established as hereinafter authorized shall be lawful, but any speed in excess of the limits speci-

16 ized shall be unlawful.
17 (1) Fifteen miles per hour when passing a school
18 building or school grounds abutting on a road, street or
19 highway during school recess or while children are going
20 to or leaving school during opening or closing hours. Such
21 speed restriction shall not apply to vehicles traveling on a
22 controlled-access highway which is separated from the
23 school or school grounds by a fence or barrier approved
24 by the state road commissioner;
25 (2) Twenty-five miles per hour in any business or resi-
26 dence district;
27 (3) Fifty-five miles per hour on open country high-
28 ways, except as otherwise provided by this chapter.
29 The speeds set forth in this section may be altered as
30 authorized in sections two and three of this article.
31 (c) The driver of every vehicle shall, consistent with
32 the requirements of paragraph (a), drive at an appropri-
33 ate reduced speed when approaching and crossing an in-
34 tersection or railway grade crossing, when approaching
35 and going around a curve, when approaching a hill crest,

36 when traveling upon any narrow or winding roadway,
37 and when special hazard exists with respect to pedes-
38 trians or other traffic or by reason of weather or highway
39 conditions.
40  (d) The speed limit on controlled-access highways and
41 interstate highways, where no special hazard exists that
42 requires a lower speed, shall in no event be lower than
43 fifty-five miles per hour and the speed limits specified
44 in (b) hereof shall not apply.

Sec. 2. Establishment of State Speed Zones.—Whenever
2 the state road commissioner shall determine upon the
3 basis of an engineering and traffic investigation that any
4 speed limit set forth in this article is greater or less than
5 is reasonable or safe under the conditions found to exist
6 at any intersection or other place or upon any part of a
7 highway, said commissioner may determine and declare
8 a reasonable and safe speed limit thereat which shall be
9 effective at all times or during hours of daylight or dark-
10 ness or at such other times as may be determined when
11 appropriate signs giving notice thereof are erected at such
12 intersection or other place or part of the highway.
Article 10. Pedestrians' Rights and Duties.

Section 8. Persons Working on Streets and Highways.—

2 The driver of a vehicle shall yield the right-of-way to
3 persons engaged in maintenance or construction work on
4 a street or highway whenever he is notified of their pres-
5 ence by an official traffic-control device or flagman.

Section 3. Stopping, Standing, or Parking Prohibited

2 in Specified Places.—(a) No person shall stop, stand, or
3 park a vehicle, except when necessary to avoid conflict
4 with other traffic or in compliance with law or the direc-
5 tions of a police officer or traffic-control device, in any of
6 the following places:
7 (1) On a sidewalk;
8 (2) In front of a public or private driveway;
9 (3) Within an intersection;
10 (4) Within fifteen feet of a fire hydrant;
11 (5) On a cross walk;
12 (6) Within twenty feet of a cross walk at an intersec-
13 tion;
14 (7) Within thirty feet upon the approach to any flash-
ing beacon, stop sign, or traffic-control signal located at the side of a roadway;

(8) Between a safety zone and the adjacent curb or within thirty feet of points on the curb immediately opposite the ends of a safety zone, unless a different length is indicated by signs or markings;

(9) Within fifty feet of the nearest rail or a railroad crossing;

(10) Within twenty feet of the driveway entrance to any fire station and on the side of a street opposite the entrance to any fire station within seventy-five feet of said entrance (when properly signposted);

(11) Alongside or opposite any street excavation or obstruction when stopping, standing, or parking would obstruct traffic;

(12) On the roadway side of any vehicle stopped or parked at the edge or curb of a street;

(13) Upon any bridge or other elevated structure upon a highway or within a highway tunnel;

(14) At any place where official signs prohibit stopping;
Within twenty feet of any mail receptacle served regularly by a carrier using a motor vehicle for daily deliveries, if such parking interferes with or causes delay in the carrier's schedule;

(16) Upon any controlled-access highway.

(17) At any place on any highway where the safety and convenience of the traveling public is thereby endangered.

(b) No person shall move a vehicle not lawfully under his control into any such prohibited area or away from a curb such distance as is unlawful.

Sec. 5. Officials Authorized to Remove or Order Removal of Vehicles Stopped, Parked or Left Standing on Controlled-Access Highway.—Whenever a vehicle has been stopped, parked or left standing upon any part of a controlled-access highway any police officer or employee of the state road commission, duly authorized by the commissioner, shall have the authority to remove or order the removal of the vehicle, by towing or otherwise, to the nearest available established garage or parking lot for storage until called for by the owner or his agent. The
owner shall be liable for the reasonable cost of such removal and storage, and until payment of such cost the garage or parking lot operator may retain possession of the vehicle subject to a lien for the amount due. The garage or parking lot operator may enforce his lien for towing and storage in the manner provided in section fourteen, article eleven, chapter thirty-eight of this code for the enforcement of other liens.
