Be it enacted by the Legislature of West Virginia:

That chapter thirty of the code of West Virginia, one thousand nine hundred thirty-one, as amended, be amended by adding thereto a new article, designated article nineteen, to read as follows:

Article 19. Foresters.

Section 1. General Provisions.—No person shall use in
2 connection with his name or otherwise assume, use or

3 advertise any title or description tending to convey the
4 impression that he is a registered forester, unless he shall
5 be licensed as hereinafter provided. Nothing contained
6 in this article shall be construed as preventing any per-
7 son, firm, partnership, or corporation from practicing for-
8 estry, or managing woodlands or forests, or from remov-
9 ing any products therefrom, or planting trees on any land,
10 in any manner desired.

Sec. 2. Definitions.—As used in this article:

2 (1) The term “forester” means a person who, by reason
3 of his knowledge of the natural sciences, mathematics, sil-
4 viculture, forest protection, forest management, forest eco-
5 nomics and forest utilization, acquired by professional
6 forestry education and/or practical experience, is quali-
7 fied to engage in the practice of professional forestry as
8 hereinafter defined;

9 (2) The term “registered forester” means a person who
10 has been licensed pursuant to this article;

11 (3) The term “practice of professional forestry” means
12 professional forestry services, including but not limited
13 to consultation, investigation, evaluation, planning, or re-

14 sponsible supervision of any forestry activities when such
15 professional service requires the application of forestry
16 principles and techniques; and

17 (4) The term "board" means the state board of regis-
18 tration for foresters, provided for by this article.

Sec. 3. State Board of Registration for Foresters.—A

2 state board of registration for foresters is hereby created
3 whose duty it shall be to administer the provisions of this
4 article. The board shall consist of five foresters who shall
5 be appointed by the governor of West Virginia within
6 thirty days after the effective date of this article, from
7 among ten nominees recommended by the West Virginia
8 chapter, society of American foresters, by and with the
9 consent of the senate, and who shall possess the qualifi-
10 cations set forth under section four of this article. The
11 five members of the initial board shall be appointed for
12 terms of one, two, three, four and five years, respectively.
13 On the expiration of the term of any member of the board,
14 the governor, with the consent of the senate, shall appoint
15 in the manner hereinbefore provided, for a term of five
16 years, a registered forester from among five nominees

17 recommended by the West Virginia chapter, society of
18 American foresters, and having the qualifications set forth
19 in section four of this article. If the governor fails to make
20 appointment in ninety days after expiration of any term,
21 the board shall make the necessary appointment. Each
22 member shall hold office until the expiration of the term
23 for which such member is appointed and until a successor
24 shall have been duly appointed and qualified.

Sec. 4. Qualification of Board Members.—Each member
2 of the initial board shall be a citizen of the United States
3 and a resident of this state, possessing the qualifications
4 to become a registered forester under the terms of this
5 article, and shall have been engaged in the practice of

7 hereafter shall be a citizen of the United States and a
8 resident of this state, shall be a registered forester under
9 the terms of this article, and shall have been engaged in
10 the practice of professional forestry for at least ten years.

Sec. 5. Removal of Board Members.—The governor may
2 remove any member of the board for official misconduct
3 or habitual or wilful neglect of duty. Vacancies in the

4 membership of the board shall be filled for the unexpired
5 term in the same manner as for an appointment for a
6 full term.

Sec. 6. General Requirements for Registration.—The

23 shall prescribe, and submitting therewith satisfactory
24 information as to good character, such person shall be
25 issued a certificate of registration: *And provided further,*
26 That after eight years from the effective date of this
27 article no person shall qualify as a registered forester un-
28 less such person shall have graduated from a curriculum
29 in forestry approved by the board from a university or

32 from a college or university may make the following sub-

34 proved by the board in a university or college approved
35 by the board shall be considered as equivalent to two
36 years of the practice of professional forestry; the com-
37 pletion of the senior year without graduation in a forestry
38 curriculum approved by the board in a university or
39 college approved by the board shall be considered as

40 equivalent to three years of the practice of professional
41 forestry.

Sec. 7. Expirations and Renewals.—Licenses shall expire
2 on the last day of the month of June following their is-
3 suance or renewal and shall become invalid on that date
4 unless renewed. It shall be the duty of the secretary of
5 the board to notify every person registered under this

7 expiration of his license and the amount of the fee that
8 shall be required for its renewal for one year; such notice
9 shall be mailed at least sixty days in advance of the date
10 of the expiration of said license. The fee for the renewal

8 to the requirements of this article; and (2) the state or
9 county in which he is so licensed observes these same
10 rules of reciprocity in regard to persons originally licensed
11 under the provisions of this article.

2 offer to practice the profession of forestry as a registered
3 forester in this state without being registered in accord-
4 ance with the provisions of this article, or any person who
