Such bonds may be issued by the governor in such amounts, in coupon or registered form, in such denominations, at such time and bearing such date or dates as the governor may determine, based upon an examination of the state road commission's yearly program which justifies the issuance by the governor of said bonds, and shall become due and payable serially in equal amounts beginning one year and ending twenty-five years from the date thereof:

Provided, That such bonds shall not be issued and sold

The treasurer shall make provisions for registering “payable to bearer” bonds, and for each bond registered a fee of fifty cents shall likewise be charged by and paid to the state of West Virginia, to the credit of the state road sinking fund.
