In Effect from Passage

FILED IN THE OFFICE
ROBERT D. BAILEY
SECRETARY OF STATE
THIS DATE 3-21-67
AN ACT to amend and reenact section nine, article fourteen, chapter sixteen of the code of West Virginia, one thousand nine hundred thirty-one, as amended, relating to the management of barber and beauty shops; restricting other businesses from being carried on in barber and beauty shops; relating to the physical arrangement of barber and beauty shops; prohibiting signs advertising prices; and regulating employment of junior beauticians.

Be it enacted by the Legislature of West Virginia:

That section nine, article fourteen, chapter sixteen of the
code of West Virginia, one thousand nine hundred thirty-one, as amended, be amended and reenacted to read as follows:

**ARTICLE 14. BARBERING, BEAUTY CULTURE AND MANICURING.**

§16-14-9. Shop to be managed by registered barbers and beauticians; number of junior barbers permitted; restrictions as to other businesses; sign; advertising of prices prohibited.

Every barber or beauty shop in this state shall be operated under the supervision and management of a barber or beautician who is registered as such in this state. Each barber shop in this state may employ at least one junior barber therein. However, in shops regularly employing more than three registered barbers only one such junior barber may be employed for every three such registered barbers, but in no event can more than three such junior barbers be employed in any one barber shop, and each beauty shop shall have the right to employ one junior beautician for each registered beautician therein. No business or trade other than that of barbering shall be conducted in a barbershop and no business or
trade other than that of beauty culture shall be conducted in a beauty shop, except the display and/or sale of commodities or other articles used in connection with barbering or beauty culture, and no such barber or beauty shop shall be operated in a store, dwelling house, or other building or space used for any purpose other than barbering or beauty culture unless such barber or beauty shop is separated by stationary partitions extended from floor to ceiling: Provided, That nothing herein contained shall be construed as prohibiting a barbershop from carrying on the business of shoe shining or manicuring or both shoe shining and manicuring. A suitable sign shall be displayed at the main entrance of all barber and beauty shops, plainly indicating the business conducted therein: Provided, however, That no sign shall be displayed outside any barber or beauty shop or inside the same, so as to be clearly visible from the outside and for the ostensible purpose of attracting trade, which in any way advertises the prices to be charged in such barber or beauty shop for services to be therein performed.
The Joint Committee on Enrolled Bills hereby certifies that the foregoing bill is correctly enrolled.
