certificates in lieu of permanent bonds; and declaring that
all necessary expenses incurred in the execution of the

of the auditor drawn on the state treasurer.

Be it enacted by the Legislature of West Virginia:

§1. Road bonds; amount; when may issue.

1 Bonds of the state of West Virginia of the par value
2 not to exceed seventy million dollars during the fiscal
3 year ending June thirtieth, one thousand nine hundred
seventy, are hereby authorized to be issued and sold
for the sole purpose of raising funds for the building
and construction of free state roads and highways as
provided for by the constitution and the laws enacted
thereunder. Such bonds may be issued by the governor
in such amounts, in coupon or registered form, in such
denominations, at such time and bearing such date or
dates as the governor may determine, based upon an
examination of the state road commission's yearly pro-
gram which justifies the issuance by the governor of said
bonds, and shall become due and payable serially in
equal amounts beginning one year and ending twenty-
five years from the date thereof.

§2. Transfer fee; registration fee; where payable; interest
rate; tax exempt.

The auditor and the treasurer are hereby authorized
to arrange for the transfer of registered bonds and for
each such transfer a fee of fifty cents shall be charged
by and paid to the state of West Virginia, to the credit
of the state road sinking fund. Bonds taken in exchange
shall be cancelled by the auditor and treasurer and be
carefully preserved by the treasurer. The treasurer shall make provisions for registering “payable to bearer” bonds, and for each bond registered a fee of fifty cents shall likewise be charged by and paid to the state of West Virginia, to the credit of the state road sinking fund. All such bonds shall be payable at the office of the treasurer of the state of West Virginia, or, at the option of the holder, at some bank in the city of New York to be designated by the governor. The bonds shall bear interest payable semiannually, to bearer, at the office of the treasurer of the state of West Virginia, at the capitol of the state, or at the bank designated by the governor, upon presentation and surrender of interest coupons, then due, in the case of coupon bonds. For the payment of interest on registered bonds, the treasurer of the state of West Virginia shall requisition a warrant from the auditor of the state to be drawn on the state treasurer, and shall mail such warrant to the registered owner at the address as shown by the record of registration. Both the principal and interest of the bonds shall be payable in lawful money of the United
States of America and the bonds shall be exempt from taxation by the state of West Virginia, or by any county, district, or municipality thereof, which facts shall appear on the face of the bonds as part of the contract with the holder thereof.

§3. Form of bond.

The bonds shall be signed on behalf of the state of West Virginia, by the treasurer thereof, under the great seal of the state, and countersigned by the auditor of the state, and shall be in the following form or to the following effect, as nearly as may be, namely:

COUPON ROAD BOND

money of the United States of America, at the office of
the treasurer of the state, or at the option of the holder
at __________________________ bank in the city of New

same being semiannual interest on Road Bond No.__________.

Treasurer of the State of West Virginia

The signature of the treasurer to such coupon shall
be by his facsimile signature and the coupons shall be
numbered in the order of their maturity, from number
one consecutively. The bonds and coupons may be signed
by the present treasurer and auditor, or by any of their
respective successors in office, and the bonds signed by
the persons now in the office may be sold by the governor
or his successor in office without being signed by the
successor in office of the present treasurer or auditor.

§5. Listing by auditor.

All coupons and registered bonds issued under this
bill shall be separately listed by the auditor of the state
in books provided for the purpose, in each case giving
the date, number, character and amount of obligations
issued, and in case of registered bonds, the name and
post-office address of the person, firm or corporation
registered as the owner thereof.

§6. State road sinking fund sources used to pay bonds and
interest; investment of remainder.

Into the state road sinking fund there shall be paid
all money from any and all appropriations made by the
state from the state road fund for the purpose of paying
the interest on such bonds or paying off and retiring the
bonds, from transfer and registration fees as herein pro-
vided, and from any other source whatsoever which is
made liable by law for the payment of the principal of
such bonds or the interest thereon.

All such funds shall be kept by the treasurer in a
separate account, under the designation aforesaid, and all
money belonging to the fund shall be deposited in the
state treasury to the credit thereof.

Such fund shall be applied by the treasurer of the
state first to the payment of the semiannual interest on
such bonds as it shall become due as herein provided.

The remainder of the fund shall be turned over by the
state treasurer to the state sinking fund commission,
whose duty it shall be to invest the same in obligations
of the government of the United States, bonds of the
state of West Virginia, or any political subdivision
thereof. Bonds or other obligations so purchased by the
state sinking fund commission shall mature so as to
provide sufficient money to pay off all bonds herein pro-
vided to be issued as they become due; and the money
so paid into the state road sinking fund under the pro-
visions of this act shall be expended for the purpose of
paying the interest and principal of the bonds hereby
provided for as they severally become due and payable
and for no other purpose except that the fund may be
invested until needed, as herein provided.

§7. Covenants of state.

1 The state of West Virginia covenants and agrees with
the holders of the bonds issued pursuant hereto as fol-
lows: (1) That such bonds shall constitute direct and
general obligation of the state of West Virginia; (2) that
the full faith and credit of the state is hereby pledged
to secure the payment of the principal and interest of
such bonds; (3) that an annual state tax shall be collected
in an amount sufficient to pay as it may accrue the
interest on such bonds and the principal thereof; and
(4) that such tax shall be levied in any year only to the
extent that the moneys in the state road fund irrevocably
set aside and appropriated for and applied to the payment
of the interest on and principal of said bonds becoming
due and payable in such year are insufficient therefor.

§8. Sale by governor; minimum price.

The governor shall sell the bonds herein authorized at
such time or times as he may determine necessary to
provide funds for the building and construction of free
state roads and highways, as herein provided, upon the
recommendation of the state road commission, and after
reviewing the program of the state road commission and
subject to the limitations contained in section one hereof.
All sales shall be at not less than par and accrued interest.
All interest coupons becoming payable prior to the sale
date shall be cancelled by the treasurer and rendered
ineffective, before the delivery of the bonds so sold.
§9. Proceedings paid into separate account in state road fund; expenditures.

The proceeds of all sales of bonds herein authorized shall be paid into a separate and distinct account in the state road fund, and shall be used and appropriated solely for the building and construction of free state roads and highways provided for by the state constitution and the laws enacted thereunder. Except for such sums necessary for current operating balances, such account shall be invested and reinvested in short-term obligations of the United States treasury. No such investment or reinvestment shall adversely affect the current operating balances of such account.

§10. Plates, etc., property of state.

The plates, casts, dies or other forms from which the bonds authorized by this act are produced or made shall be the property of the state of West Virginia.

§11. Auditor to be custodian of unsold bonds.

The state auditor shall be the custodian of all unsold bonds issued pursuant to the provisions of this act.
§12. Interim certificates.

1 The governor may authorize the issuance of interim certificates to be issued to the purchasers of such bonds to be held by them in lieu of permanent bonds. When interim certificates are so issued, they shall become full and legal obligations of the state of West Virginia under all of the provisions of this act just as fully and completely as the permanent bonds.

§13. Payment of expenses.

1 All necessary expenses incurred in the execution of this act shall be paid out of the state road fund on warrants of the auditor of the state drawn on the state treasurer.
