WEST VIRGINIA LEGISLATURE
REGULAR SESSION, 1969

ENROLLED

HOUSE BILL No. 780

(By Mr. John)

PASSED March 5, 1969

In Effect Ninety days from Passage

FILED IN THE OFFICE
JOHN D. ROCKERFELLER, IV
SECRETARY OF STATE
THIS DATE 3-12-69
AN ACT to amend chapter eighteen of the code of West Virginia, one thousand nine hundred thirty-one, as amended, by adding thereto a new article, designated article ten-e, relating to an interstate compact on qualifications of education personnel.

Be it enacted by the Legislature of West Virginia:

That chapter eighteen of the code of West Virginia, one thousand nine hundred thirty-one, as amended, be amended by adding thereto a new article, designated article ten-e, to read as follows:

ARTICLE 10E. INTERSTATE COMPACT ON QUALIFICATIONS OF EDUCATIONAL PERSONNEL.

§18-10E-1. Enactment of compact.

1 The interstate compact on qualifications of educational
personnel is hereby enacted into law and entered into
with all jurisdictions legally joining therein, in the form
substantially as follows:

INTERSTATE COMPACT ON QUALIFICATIONS
OF EDUCATIONAL PERSONNEL

Article I. Purpose, Findings and Policy.

1. The states party to this compact, desiring by com-
mon action to improve their respective school systems
by utilizing the teacher or other professional educational
person wherever educated, declare that it is the policy
of each of them, on the basis of cooperation with one
another to take advantage of the preparation and exper-
ience of such persons wherever gained, thereby serving
the best interests of society, of education, and of the
teaching profession. It is the purpose of this compact to
provide for the development and execution of such pro-
grams of cooperation as will facilitate the movement of
teachers and other professional educational personnel
among the states party to it, and to authorize specific
interstate educational personnel contracts to achieve that
end.
23  2. The party states find that included in the large
24  movement of population among all sections of the nation
25  are many qualified educational personnel who move for
26  family and other personal reasons but who are hindered
27  in using their professional skill and experience in their
28  new locations. Variations from state to state in require-
29  ments for qualifying educational personnel discourage
30  such personnel from taking the steps necessary to qualify
31  in other states. As a consequence, a significant number
32  of professionally prepared and experienced educators is
33  lost to our school systems. Facilitating the employment
34  of qualified educational personnel without reference to
35  their states of origin, can increase the available educa-
36  tional resources. Participation in this compact can in-
37  crease the availability of educational manpower.

38  Article II. Definitions.

39  As used in this compact and contracts made pursuant
40  to it, unless the context clearly requires otherwise:
41  1. "Educational personnel" means persons who must
42  meet requirements pursuant to state law as a condition of
43  employment in educational programs.
2. "Designated state official" means the education official of a state selected by that state to negotiate and enter into, on behalf of his state, contracts pursuant to this compact.

3. "Accept", or any variant thereof, means to recognize and give effect to one or more determinations of another state relating to the qualifications of educational personnel in lieu of making or requiring a like determination that would otherwise be required by or pursuant to the laws of a receiving state.

4. "State" means a state, territory or possession of the United States; the District of Columbia; or the Commonwealth of Puerto Rico.

5. "Originating state" means a state and the subdivision thereof, if any, whose determination that certain educational personnel are qualified to be employed for specific duties in schools is acceptable in accordance with the terms of a contract made pursuant to article III.

6. "Receiving state" means a state and the subdivisions thereof which accept educational personnel in accordance with the terms of a contract made pursuant to article III.
Article III. Interstate Educational Personnel

Contracts.

1. The designated state official of a party state may make one or more contracts on behalf of his state with one or more other party states providing for the acceptance of educational personnel. Any such contract for the period of its duration shall be applicable to and binding on the states whose designated state officials enter into it, and the subdivisions of those states, with the same force and effect as if incorporated in this agreement. A designated state official may enter into a contract pursuant to this article only with states in which he finds that there are programs of education, certification standards or other acceptable qualifications that assure preparation or qualification of educational personnel on a basis sufficiently comparable, even though not identical to that prevailing in his own state.

2. Any such contract shall provide for:

(a) Its duration;

(b) The criteria to be applied by an originating state in qualifying educational personnel for acceptance by a receiving state;
(c) Such waivers, substitutions and conditional acceptances as shall aid the practical effectuation of the contract without sacrifice of basic educational standards;

(d) Any other necessary matters.

3. No contract made pursuant to this compact shall be for a term longer than five years but any such contract may be renewed for like or lesser periods.

4. Any contract dealing with acceptance of educational personnel on the basis of their having completed an educational program shall specify the earliest date or dates on which originating state approval of the program or programs involved can have occurred. No contract made pursuant to this compact shall require acceptance by a receiving state of any persons qualified because of successful completion of a program prior to January one, one thousand nine hundred fifty-four.

5. The certification or other acceptance of a person who has been accepted pursuant to the terms of a contract shall not be revoked or otherwise impaired because the contract has expired or been terminated. However, any certificate or other qualifying document may be re-
voked or suspended on any ground which would be sufficient for revocation or suspension of a certificate or other qualifying document initially granted or approved in the receiving state.

6. A contract committee composed of the designated state officials of the contracting states or their representatives shall keep the contract under continuous review, study means of improving its administration, and report no less frequently than once a year to the heads of the appropriate education agencies of the contracting states.

Article IV. Approved and Accepted Programs.

1. Nothing in this compact shall be construed to repeal or otherwise modify any law or regulation of a party state relating to the approval of programs of educational preparation having effect solely on the qualification of educational personnel within that state.

2. To the extent that contracts made pursuant to this compact deal with the educational requirements for the proper qualification of educational personnel, acceptance of a program of educational preparation shall be in accordance with such procedures and requirements as may be provided in the applicable contract.
Article V. Interstate Cooperation.

The party states agree that:

1. They will, so far as practicable, prefer the making of multilateral contracts pursuant to article III of this compact.

2. They will facilitate and strengthen cooperation in interstate certification and other elements of educational personnel qualification and for this purpose shall cooperate with agencies, organizations, and associations interested in certification and other elements of educational personnel qualification.

Article VI. Agreement Evaluation.

The designated state officials of any party states may meet from time to time as a group to evaluate progress under the compact, and to formulate recommendations for changes.

Article VII. Other Arrangements.

Nothing in this compact shall be construed to prevent or inhibit other arrangements or practices of any party state or states to facilitate the interchange of educational personnel.
Article VIII. Effect and Withdrawal.

1. This compact shall become effective when enacted into law by two states. Thereafter it shall become effective as to any state upon its enactment of this compact.

2. Any party state may withdraw from this compact by enacting a statute repealing the same, but no such withdrawal shall take effect until one year after the governor of the withdrawing state has given notice in writing of the withdrawal to the governors of all other party states.

3. No withdrawal shall relieve the withdrawing state of any obligation imposed upon it by a contract to which it is a party. The duration of contracts and the methods and conditions of withdrawal therefrom shall be those specified in their terms.

Article IX. Construction and Severability.

This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence or provision of this compact is declared to be contrary to the constitution of any state or of the United
States, or the application thereof to any government, agency, person or circumstances is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any state participating therein, the compact shall remain in full force and effect as to the state affected as to all severable matters.

The "designated state official" for this state shall be the state superintendent of schools. He may enter into contracts pursuant to article III of the compact only with the approval of the specific text thereof by the state board of education.

True copies of all contracts made on behalf of this state pursuant to the compact shall be kept on file in the office of the state superintendent of schools and in the office of the secretary of state. The state superintendent of schools shall publish all such contracts in convenient form.
§18-10E-2. Effective date.

1 The effective date of this bill shall be July one, one

2 thousand nine hundred sixty-nine.
