AN ACT making a supplementary appropriation of public money out of the treasury from the balance of all general revenue remaining unappropriated for the fiscal year ending June thirtieth, one thousand nine hundred seventy-two, to the Attorney General, Account No. 240, chapter six, acts of the Legislature, regular session, one thousand nine hundred seventy-one, known as the "Budget Bill."

WHEREAS, The estimated revenue in the state fund, general revenue, for the fiscal year 1971-72, substantiated by the "Executive Budget" prepared by the governor, communications from the governor and enacted legislation totals \$368,161,706.00; and

WHEREAS, In addition to the estimate of revenue provided by the governor, there existed available for appropriation cash balances from the previous fiscal year and anticipated expirations; and

WHEREAS, The Legislature, basing its action upon the estimate of revenue as provided by the governor and the available cash balance and estimated expirations, enacted a budget bill for the fiscal year 1971-72, thereby making appropriations to the various accounts of state spending units, which total appropriations were well within the total of all revenues available for appropriation for the fiscal year 1971-72; and

appropriated and thereby made additional revenue available for supplemental appropriations; and

WHEREAS, There now remains unappropriated a balance in the total general revenue available for further appropriation of \$7,373,138.00 during the fiscal year ending June thirtieth, one thousand nine hundred seventy-two, a part of which balance is hereby appropriated by the terms of this supplementary appropriation bill.
