(By Mr. Speaker, Mr. Boiarisky, and Mr. Seibert)

[Passed March 13, 1971; in effect ninety days from passage.]

AN ACT to amend and reenact section four, article twenty-four, chapter eighteen of the code of West Virginia, one thousand nine hundred thirty-one, as amended, relating to the creation of a state system special capital improvements fund to be expended for all state institutions of higher education.

Be it enacted by the Legislature of West Virginia:

That section four, article twenty-four, chapter eighteen of the code of West Virginia, one thousand nine hundred thirty-one, as amended, be amended and reenacted to read as follows:

ARTICLE 24. FEES AND OTHER MONEY COLLECTED AT STATE INSTITUTIONS OF HIGHER EDUCATION.

§18-24-4. Collection, disposition and use of additional registration fee; creation of a state system special capital improvements fund; revenue bonds.

1 In addition to all other fees imposed by the West Vir-
2 ginia board of regents, there is hereby imposed and
the board of regents is hereby directed to provide for
the collection of an additional registration fee from
all students in the amounts hereinafter provided.
For full-time students at each state institution of
higher education, the additional registration fee shall
be fifty dollars per semester. The board of regents
shall have authority to increase such additional regis-
tration fee at any institution of higher education for
students who are nonresidents of this state. For all
part-time students and for all summer school students,
the board of regents shall impose and collect such fee
in proportion to, but not exceeding, that paid by full-
time students.
The fee imposed by this section shall be in addition
to the maximum fees allowed to be collected under
the provisions of section one of this article and shall
not be limited thereby. Refunds of such fee may be
made in the same manner as any other fee collected
at state institutions of higher education.
There is hereby created in the state treasury a special
capital improvements fund into which shall be paid
on and after the first day of July, one thousand nine hundred sixty-three, all proceeds of the additional registration fees collected from students at West Virginia University and at Potomac State College. Subject to any lien created by a pledge of the moneys in said special capital improvements fund for the payment of the principal of and interest on any revenue bonds issued pursuant to this section prior to the first day of July, one thousand nine hundred seventy-one, to finance capital improvements at West Virginia University and at Potomac State College, the board of regents is empowered to expend moneys from this fund for the benefit of any state institution of higher education as provided in this section.

There is hereby created in the state treasury a second special capital improvements fund into which shall be paid on and after the first day of July, one thousand nine hundred sixty-three, all proceeds of the additional registration fees collected from students at all state institutions of higher education other than West Virginia University and Potomac State College. Subject
to any lien created by a pledge of the moneys in said capital improvements fund for the payment of the principal of and interest on any revenue bonds issued pursuant to this section prior to the first day of July, one thousand nine hundred seventy-one, to finance capital improvements at state institutions of higher education other than West Virginia University and Potomac State College, the board of regents is empowered to expend moneys from this fund for the benefit of any state institution of higher education as provided in this section.

There is created in the state treasury a state system special capital improvements fund to be expended by the board of regents for the benefit of any and all state institutions of higher education. On and after the first day of July, one thousand nine hundred seventy-one, the board of regents may periodically transfer from each of the two special capital improvements funds previously established by this section into the state system special capital improvements fund moneys in excess of the amount pledged for the payment of the prin-
principal of and interest on any revenue bonds issued pursuant to this section prior to the first day of July, one thousand nine hundred seventy-one.

The board of regents may make expenditures from any of the special capital improvements funds established in this section to finance in whole or in part, together with any federal, state or other grants or contributions, any one or more of the following purposes: (1) The acquisition of land or any rights or interest therein, (2) the construction or acquisition of new buildings, (3) the renovation or construction of additions to existing buildings, (4) the acquisition of furnishings and equipment for any such buildings, and (5) the construction or acquisition of any other capital improvements or capital educational facilities at such state institutions of higher education, including any roads, utilities or other properties, real or personal, or for other purposes necessary, appurtenant or incidental to the construction, acquisition, financing and placing in operation of such buildings, capital improvements or capital educational facilities.
The board of regents, in its discretion, may use the moneys in such special capital improvements funds to finance the costs of the above purposes on a cash basis, or may from time to time issue revenue bonds of the state as provided in this section to finance all or part of such purposes and pledge all or any part of the moneys in such special funds for the payment of the principal of and interest on such revenue bonds, and for reserves therefor. Any pledge of such special funds for such revenue bonds shall be a prior and superior charge on such special funds over the use of any of the moneys in such funds to pay for the cost of any of such purposes on a cash basis: Provided, That any expenditures from such special funds, other than for the retirement of revenue bonds, may only be made by the board of regents to meet the cost of a predetermined capital improvements program for one or more of the state institutions of higher education, in such order of priority as shall have been agreed upon by the board of regents and presented to the governor for inclusion in the annual budget bill, and only with the approval of the Legis-
lature as indicated by direct appropriation for the purpose.

Such revenue bonds may be authorized and issued from time to time by the board of regents to finance in whole or in part the purposes provided in this section in an aggregate principal amount not exceeding the amount which the board of regents shall determine can be paid as to both principal and interest and reasonable margins for a reserve therefor from the moneys in such special funds.

The issuance of such revenue bonds shall be authorized by a resolution adopted by the board of regents, and such revenue bonds shall bear such date or dates, mature at such time or times not exceeding forty years from their respective dates; be in such form either coupon or registered, with such exchangeability and interchangeability privileges; be payable in such medium of payment and at such place or places, within or without the state; be subject to such terms of prior redemption at such prices not exceeding one hundred five per centum of the principal amount thereof; and
shall have such other terms and provisions as the board
of regents shall determine. Such revenue bonds shall
be signed by the governor and by the president of the
board of regents authorizing the issuance thereof, under
the great seal of the state, attested by the secretary of
state, and the coupons attached thereto shall bear the
facsimile signature of the president of the board of
regents. Such revenue bonds shall be sold in such man-
er as the board of regents may determine to be for
the best interests of the state.

The board of regents may enter into trust agreements
with banks or trust companies, within or without the
state, and in such trust agreements or the resolutions
authorizing the issuance of such bonds may enter into
valid and legally binding covenants with the holders
of such revenue bonds as to the custody, safeguarding
and disposition of the proceeds of such revenue bonds,
the moneys in such special funds, sinking funds, reserve
funds, or any other moneys or funds; as to the rank and
priority, if any, of different issues of revenue bonds
by the board of regents under the provisions of this
section; as to the maintenance or revision of the amounts
of such additional registration fees, and the terms and
conditions, if any, under which such additional regis-
tration fees may be reduced; and as to any other matters
or provisions which are deemed necessary and advisable
by the board of regents in the best interests of the
state and to enhance the marketability of such revenue
bonds.

After the issuance of any of such revenue bonds, the
additional registration fees at the state institutions of
higher education shall not be reduced as long as any
of such revenue bonds are outstanding and unpaid except
under such terms, provisions and conditions as shall
be contained in the resolution, trust agreement or other
proceedings under which such revenue bonds were
issued.

Such revenue bonds shall be and constitute negotiable
instruments under the uniform commercial code of this
state; shall, together with the interest thereon, be exempt
from all taxation by the state of West Virginia, or by
any county, school district, municipality or political sub-
division thereof; and such revenue bonds shall not be deemed to be obligations or debts of the state, and the credit or taxing power of the state shall not be pledged therefor, but such revenue bonds shall be payable only from the revenue pledged therefor as provided in this section.
