Such bonds may be issued by the governor in such denominations, at such time, bearing such date or dates as the governor may determine, based upon an examination of the West Virginia department of highways' yearly program which justifies the issuance by the governor of said bonds, and shall become due and payable serially, annually

Bonds taken in exchange shall be cancelled by the auditor and treasurer and be carefully preserved by the treasurer. The treasurer shall make provisions for registering “payable to bearer” bonds, and for each bond registered a fee of fifty cents, shall likewise be charged by and paid to the state of West Virginia, to the credit of the state road sinking fund.
