CHAPTER 24. PUBLIC SERVICE COMMISSION.

ARTICLE 1. GENERAL PROVISIONS.

§24-1-2. Composition; appointment, qualifications and disqualification of commissioners; removal from office; terms of office; vacancies; salaries.

1 There shall be a public service commission of West Virginia which by that name may sue and be sued. The terms of members of the public service commission at the time of passage shall hereby be continued. Such public service commission shall consist of three members who shall be appointed by the governor with the advice and consent of the Senate. The commissioners shall be citizens and residents of this state and at least one of whom shall be duly licensed to practice law in West Virginia, of not less than ten years' actual experience at the bar. No more than two of said commissioners
shall be members of the same political party. The appointment of a commissioner shall be for a period of six years, except that an appointment to fill a vacancy shall be for the unexpired term only. Each commissioner shall, before entering upon the duties of his office, take and subscribe to the oath provided by section five, article four of the constitution, which oath shall be filed in the office of the secretary of state. The governor shall annually designate one of the commissioners as chairman who shall be the chief administrative officer of the commission. The governor may remove any commissioner only for incompetency, neglect of duty, gross immorality or malfeasance in office.

No person while in the employ of, or holding any official relation to, any public utility subject to the provisions of this chapter, or holding any stocks or bonds thereof, or who is pecuniarily interested therein, shall serve as a member of the commission or as an employee thereof. Nor shall any such commissioners be a candidate for or hold public office, or be a member of any political committee, while acting as such commissioner;
nor shall any commissioner or employee of said com-
mission receive any pass, free transportation or other
thing of value, either directly or indirectly, from any
public utility subject to the provisions of this chapter.
In case any of such commissioners shall become a can-
didate for any public office or a member of any political
committee, his office as commissioner shall be ipso facto
vacated.

For the administration of this chapter each commis-
sioner shall receive a salary of sixteen thousand dollars
per annum to be paid in monthly installments from the
special fund collected from public utilities under the
provisions of section six-a, article three, chapter twenty-
four of the code of West Virginia.

§24-1-6. Office of commission; time and place of hearings;
number of commissioners required for taking action.

The general office of the commission shall be kept at
the capitol of the state, and kept open on each working
day between the hours of nine o'clock a.m. and five
o'clock p.m., and in charge of the secretary or his deputy.
Hearings and the taking of evidence may be had at
such times and places and in such manner in each par-
ticular case as the commission may designate.
The concurrent judgment of two of the commissioners,
when in session as the commission, shall be deemed the
action of the commission, and a vacancy in the commis-
sion shall not affect the right or duty of the remaining
commissioners to function as a commission.

ARTICLE 2. POWERS AND DUTIES OF PUBLIC SERVICE
COMMISSION.

§24-2-1. Jurisdiction of commission.

The jurisdiction of the commission shall extend to all
public utilities in this state, and shall include any utility
engaged in any of the following public services:

air, railroad, street railroad, motor or otherwise, by ex-
press or otherwise, by land, water or air, whether wholly
or partly by land, water or air; mass transit authorities;

tation of coal and its derivatives and all mixtures and
combinations thereof with other substances by pipeline;

trict created under the provisions of article thirteen-a,
chapter sixteen of this code; toll bridges, wharves, ferries;

1 In addition to all other powers and duties conferred
2 upon the public utilities commission herein, the commis-
3 sion shall be charged with the duty of enforcing the
4 provisions of the United States “Federal Railroad Safety
5 Act” and the “Uniform Motor Carrier Identification Act”
6 in this state under the federal requirements contained
7 therein requiring state enforcement of such acts, insofar
8 as the same are not repugnant to the laws of this state
9 or contrary to the rules and regulations of the commis-
10 sion.

ARTICLE 3. DUTIES AND PRIVILEGES OF PUBLIC UTILITIES
SUBJECT TO REGULATIONS OF COMMISSION.

§24-3-6. Special license fee; “public utilities commission
fund”; declaration of legislative intent.
(a) All public utilities subject to the provisions of this chapter shall pay a special license fee in addition to those now required by law. The amount of such fees shall be fixed by the public service commission and levied by it upon each of such public utilities according to the value of its property as ascertained by the last assessment, and shall be apportioned among such public utilities upon the basis of such valuation, so as to produce a revenue of three hundred twenty thousand dollars per annum, which fees shall be paid on or before the twentieth day of January in each year. Such sum of three hundred twenty thousand dollars, together with that provided in subsection (b) hereof shall be paid into the state treasury and kept as a special fund, designated "public service commission fund," to be appropriated as provided by law for the purpose of paying the salaries of the commission, as fixed by this chapter, its expenses and salaries, compensations, costs and expenses of its employees.

(b) All public utilities subject to the provisions of this chapter shall pay a special license fee in addition
to any and all fees now required by law. The amount of such fees shall be fixed by the public service commission and levied by it upon each of such public utilities, in the proportion which the total gross revenue derived from intrastate business done by each of such public utilities in the calendar year next preceding bears to the total gross revenue derived from intrastate business done in such year by all public utilities subject to regulation by the public service commission, so as to produce a revenue of six hundred forty thousand dollars per annum, in addition to such fees as may be fixed by the public service commission under the provisions of subsection (a) hereof and which fees shall be paid on or before the first day of July in each year. Such sum of six hundred forty thousand dollars shall be paid into the state treasury and be kept, appropriated and used as provided in subsection (a) hereof.

(c) Any balance remaining in said fund at the end of any fiscal year shall not revert to the treasury but shall remain in said fund and may be appropriated and used as provided in subsection (a) hereof.
