[Passed June 9, 1972; in effect July 1, 1972.]

AN ACT making supplementary appropriations of public money out of the treasury from the balance of all general revenue remaining unappropriated for the fiscal year ending June thirtieth, one thousand nine hundred seventy-three, to the West Virginia Board of Regents, Acct. No. 279 and Acct. No. 280, chapter seven, acts of the Legislature, regular session, one thousand nine hundred seventy-two, known as the "Budget Bill."

WHEREAS, The estimated revenue in the state fund, general revenue, for the fiscal year 1972-73, substantiated by the "Executive Budget" prepared by the governor, communications from the governor and enacted legislation totals \$414,085,556.00; and

WHEREAS, In addition to the estimate of revenue provided by the governor, there existed available for appropriation cash balances from the previous fiscal year and anticipated expirations; and

WHEREAS, The Legislature, basing its action upon the estimate of revenue as provided by the governor and the available cash balance and estimated expirations, enacted a budget bill for the fiscal year 1972-73, thereby making appropriations to the various accounts of state spending units, which total appropriations were well within the total of all revenues available for appropriation for the fiscal year 1972-73; and

WHEREAS, The governor, pursuant to his constitutional authority, disapproved and reduced items or parts of items contained in Enrolled Committee Substitute for Senate Bill No. 44, acts of the Legislature, regular session, one thousand nine hundred seventy-two (now chapter 7, acts of the Legislature of 1972), known as the Budget Bill, wherein appropriations were made to certain designated accounts to be expended within the fiscal year ending June thirtieth, one thousand nine hundred seventy-three, the governor by his action reduced the amounts appropriated and thereby made additional revenue available for supplemental appropriations; and

WHEREAS, There now remains unappropriated a balance in the total general revenue available for further appropriation of \$16,900,989.00 during the fiscal year ending June thirtieth, one thousand nine hundred seventy-three, a part of which balance is hereby appropriated by the terms of this supplementary appropriation bill.
