§18A-4-8. Minimum pay for service and auxiliary personnel.

The purpose of this section is to establish a state minimum pay scale and employment term for auxiliary and service personnel. The employment term for auxiliary and service personnel shall be no less than ten months, a month to be defined
as twenty employment days: *Provided*, That the county board of education may contract with all or part of such personnel for a longer term. The beginning and closing dates of the ten month term shall not exceed forty-three weeks. Auxiliary and service personnel employed on an annual basis may be employed by the calendar month. Whenever there is a change in job assignment during the school year, the minimum pay scale and any county supplement shall be applicable.

From the effective date of this article, the county board of education pay scale for auxiliary and service personnel shall not be less than three hundred thirty-five dollars per month: *Provided*, That auxiliary and service personnel who are employed for less or for more than the normal working day established for a specific job position shall have their minimum pay increased or reduced in proportion to the above pay scale.

The county board of education may establish salary schedules which shall be in excess of the state minimum fixed by this article, such county schedules to be uniform throughout the county with regard to any training classifications, experience, responsibility, duties, pupil participation, pupil enrollment, size of buildings, operation of equipment or other requirements. Uniformity shall apply to any additional salary or compensation for all persons performing like assignments and duties within the county: *Provided*, That, from the effective date of this article in establishing such local salary schedules, no county shall reduce local funds allocated for auxiliary and service personnel salaries used for supplementing federal and state funds provided for such salaries.

All auxiliary and service personnel shall receive no less than a five percent increase in their total present annual salaries as a result of the enactment of this section.
