AN ACT making supplementary appropriations of the public money out of the treasury from the Public Service Commission remaining unappropriated for the fiscal year ending June thirtieth, one thousand nine hundred seventy-four, to the public service commission, Acct. WHEREAS, The Executive Budget for the fiscal year 1973-74 presented to the Legislature, February 14, 1973, reflected an estimation of revenues into the Public Service Commission to be \$960,000; and

WHEREAS, In addition to the estimate of revenue provided by the governor, there existed available for appropriation cash balances from the previous fiscal year and anticipated expirations; and

WHEREAS, The Legislature, basing its action upon the estimate of revenue as provided by the governor and the available cash balance and estimated expirations, enacted a budget bill for the fiscal year 1973-74, thereby making appropriations to the various accounts of state spending units, which total appropriations were well within the total of all revenues available for appropriation for the fiscal year 1973-74; and

WHEREAS, The governor, pursuant to his constitutional authority,

disapproved and reduced items or parts of items contained in Enrolled Committee Substitute for Senate Bill No. 51, acts of the Legislature, regular session, one thousand nine hundred seventy-three (now Chapter 10, Acts of the Legislature of 1973), known as the Budget Bill, wherein appropriations were made to certain designated accounts to be expended within the fiscal year ending June thirtieth, one thousand nine hundred seventy-four, the governor by his action reduced the amounts appropriated and thereby made additional revenue available for supplemental appropriations; and

WHEREAS, There now remains unappropriated a balance in the Public Service Commission fund for further appropriation of \$139,-183 during the fiscal year ending June thirtieth, one thousand nine hundred seventy-four, a part of which balance is hereby appropriated by the terms of this supplementary appropriation bill.
