Bonds of the state of West Virginia, under authority of the better school buildings amendment of 1972, of the par value not to exceed fifty million dollars during the fiscal year ending the thirtieth day of June, one thousand nine hundred seventy-four, are hereby authorized to be issued and sold for the sole purpose of raising funds for distribution to county boards of education that qualify by meeting conditions, qualifications and requirements as are prescribed by general law and used and appropriated by such county boards of education solely for the construction, renovation or remodeling of elementary or secondary public school buildings or facilities, the equipping of the same in connection with any such construction, renovation or remodeling, and the acquisition and preparation of sites for elementary or secondary public school buildings or facilities. Such bonds may be issued by the governor in such amounts, in coupons or registered form, in such denominations, at such time, bearing such date or dates, as the governor may determine, based upon an examination of the needs of the various county boards of education which justify the issuance by the governor of said bonds, and shall become due and payable serially, annually or semiannually, in such amounts and
