ENROLLED

Senate Bill No. 452

(By MR. NEELEY, MR. DAVIS and MR. SHARPE)

[Passed March 9, 1976; in effect July 1, 1976.]

AN ACT to amend and reenact section nine, article fourteen, chapter twenty-nine of the code of West Virginia, one thousand nine hundred thirty-one, as amended, relating to state commission on aging; use of funds, including state revenue sharing funds, for construction, acquisition and renovation of senior centers.

Be it enacted by the Legislature of West Virginia:

That section nine, article fourteen, chapter twenty-nine of the code of West Virginia, one thousand nine hundred thirty-one, as amended, be amended and reenacted to read as follows:

ARTICLE 14. STATE COMMISSION ON AGING.

§29-14-9. Programs of services for the aging.

1 The commission may establish, under the administration
2 of the director, in selected areas and local communities of
3 the state, programs of services for the aging. Particular
4 emphasis shall be given to services designed to foster
5 continued participation of older people in family and
6 community life and to prevent, insofar as possible, the
7 onset of dependency and the need for long-term institu-
8 tional care. Any allocations by the commission of appro-
9 priations for such programs may be made contingent upon
10 local appropriations or gifts in money or in kind for the
11 support of such programs. The county commission of any
12 county or governing body of any municipality in this
13 state may appropriate and expend money for establishing

14 and maintaining such programs. Funds so appropriated by
15 the county commission or by the governing body of any
16 municipality in this state may be contributed from time to
17 time to any committee or organization approved by the
18 commission on aging for the purposes authorized by this
19 section.

20 The commission on aging as provided hereunder may
21 receive and expend appropriate funding, including the
22 state's share of federal revenue sharing funds, for the
23 construction, acquisition and renovation of senior centers.

24 From time to time the Legislature may appropriate
25 funds on a matching basis for funds from any other
26 source to be used for the purposes stated above.

The Joint Committee on Enrolled Bills hereby certifies that the foregoing bill is correctly enrolled.
