WEST VIRGINIA LEGISLATURE
REGULAR SESSION, 1978

ENROLLED

HOUSE BILL No. 1241

(By Mr. Morasco)

PASSED February 24, 1978

In Effect from Passage
AN ACT to reform, alter and modify the county commission of Taylor County under the provisions of section thirteen, article nine of the constitution of this state.

Be it enacted by the Legislature of West Virginia:

TAYLOR COUNTY COMMISSION.

§1. Legislative findings.

1 The Legislature hereby finds and declares that, by a petition dated the seventh day of March, one thousand nine hundred seventy-seven, at least ten percent of the registered voters of Taylor County have requested the reformation, alteration and modification of the county commission of said county so that the number of members of said county commission shall be equal to the number of magisterial districts comprising said county. The Legislature further finds and declares that, by a letter dated the eleventh day of March, one thousand nine hundred seventy-seven, said county commission has requested the Legislature to so reform, alter and modify the same as required by the provisions of section thirteen, article nine of the constitution of this state. The Legislature further finds and declares that it fulfills the requirements of said section thirteen by the provisions of this act.
§2. Reformation, alteration and modification of Taylor County commission; composition; quorum; application of laws.

1 The county commission of Taylor County is hereby reformed, altered and modified such that there shall be three commissioners and each commissioner shall be elected by the voters of his magisterial district as provided in this act. A simple majority of said commissioners shall be a quorum for the transaction of business. All laws of this state not inconsistent with the provisions of this act shall apply to said county commission.

§3. Election of commissioners; terms; exception.

1 At the general election to be held in the year one thousand nine hundred eighty, there shall be elected by the voters of each magisterial district a commissioner of the Taylor County commission: Provided, That such election shall not apply to those magisterial districts represented by a commissioner, as of the effective date of this act, whose term of office would, notwithstanding the provisions of this act, not be subject to election in said year. The terms of the commissioners so elected shall begin on the first day of January, one thousand nine hundred eighty-one, and shall be for six years, except that at the first meeting of the county commission following such election the commissioners so elected shall designate by lot, or otherwise in such manner as they may determine, one of their number, who shall hold his office for a term of two years, not less than one for four years, and one for six years, so that not less than one shall be elected every two years.

The commissioners of said county commission in office on the effective date of this act shall remain therein for the term for which they have been elected, unless sooner removed therefrom in the manner prescribed by law, and shall be eligible to succeed themselves for six-year terms.

§4. Submission to voters of question of reformation, alteration and modification of county commission.

1 At the primary election to be held in the year one thousand nine hundred eighty, the question of the reformation, alteration and modification of the county commission as provided
in this act shall be submitted to the voters of Taylor County voting at such election. Such question shall be so submitted on a separate ballot furnished by the county commission, in the following form:

“For modification of county commission □
Against modification of county commission □.”

If a majority of the votes cast upon the question be “for modification for county commission,” this act shall be and remain in full force and effect; but if a majority of such votes cast be “against modification of county commission,” this act shall be of no further force and effect.
