Be it enacted by the Legislature of West Virginia:

That article sixteen, chapter thirty-three of the code of West Virginia, one thousand nine hundred thirty-one, as amended, be amended by adding thereto two new sections, designated sections three-c and three-d; that section four, article twenty-four of said chapter thirty-three be amended and reenacted; and that article twenty-eight of said chapter thirty-three be amended by adding thereto a new section, designated section five-b, all to read as follows:
ARTICLE 16. GROUP ACCIDENT AND SICKNESS INSURANCE.

No group, blanket, franchise or association accident and sickness insurance policy providing coverage on an expense incurred basis, nor group, blanket, franchise or association service or indemnity type contract issued by a service corporation pursuant to the provisions of section one, article twenty-four, chapter thirty-three of this code shall be issued, delivered, executed or renewed in this state unless such policy or contract, at the option of the policyholder or sponsor, provides the level of benefits specified herein to any insured, subscriber or other person covered under the policy or contract for expenses incurred in connection with the treatment of alcoholism, when such treatment is prescribed by a duly licensed physician, subject to the right of the policyholder or sponsor to select any alternative level of benefits as may be offered by the insurer or service corporation. For purposes of this section, alcoholism is hereby defined as a chronic disorder or illness in which the individual is unable, for psychological or physical reasons, or both, to refrain from the frequent consumption of alcohol in quantities sufficient to produce intoxication and, ultimately, injury to health and effective functioning. Benefits provided under this section shall include a minimum of thirty days of inpatient confinement as defined in the policy of contract. If inpatient hospital benefits are provided beyond thirty days of confinement, the durational limits, dollar limits, deductibles and co-insurance factors applicable thereto need not be the same as applicable to physical illness generally. As to outpatient benefits, the co-insurance factor may not exceed fifty percent of the co-insurance factor applicable for physical illness generally, whichever is greater, and the maximum benefit for alcoholism in the aggregate during any applicable benefit period may be limited to not less than seven hundred fifty dollars. Maximum lifetime benefits may, as to alcoholism in the aggregate, be no less than an amount equal to the lesser of ten thousand dollars or twenty-five percent of the lifetime policy limit. "Inpatient hospital benefits" means only those payable for charges made by a hospital, as defined in the policy or contract, for the necessary care and treatment of alcoholism furnished to a covered person while confined as a hospital inpatient; and with respect to major medical
policies or contracts, also those payable for charges made by a physician, as defined in the policy or contract, for the necessary care and treatment of alcoholism furnished to a covered person while confined as a hospital inpatient. "Outpatient benefits" means only those payable for (1) charges made by a hospital for the necessary care and treatment of alcoholism furnished to a covered person while not confined as a hospital inpatient, (2) charges for services rendered or prescribed by a physician for the necessary care and treatment for alcoholism furnished to a covered person while not confined as a hospital inpatient, and, (3) charges made by an alcoholism treatment center, as defined herein, for the necessary care and treatment of a covered person provided in such treatment center. "Alcoholism Treatment Center" means a treatment facility which provides a program for the treatment of alcoholism pursuant to a written treatment plan approved and monitored by a physician, and which facility is also: (1) affiliated with a hospital under a contractual agreement with an established system for patient referral, or (2) licensed, certified or approved as an alcoholism treatment center by the state. This section shall not apply to blanket, short-term travel, accident only, limited or specified disease, individual conversion policies or contracts, nor to policies or contracts designed for issuance to persons eligible for coverage under Title XVIII of the Social Security Act, known as medicare, or any other similar coverage under state or federal governmental plan.

insurance; and has been in existence for at least two years
prior to the date of its initial offering of such policy or plan to
its members.

Act, Title XVIII of the Social Security Amendments of 1965,
as then constituted or later amended.

(b) Standards for policy provisions.

(1) The commissioner shall issue reasonable regulations to
establish specific standards for policy provisions of medicare
supplement policies. Such standards shall be in addition to
and in accordance with the applicable laws of this state and

(A) Terms of renewability;

(B) Initial and subsequent conditions of eligibility;

(3) Notwithstanding any other provisions of the law, a medicare supplement policy may not deny a claim for losses incurred more than six months from the effective date of coverage for a preexisting condition. The policy may not define a preexisting condition more restrictively than a condition for which medical advice was given or treatment was recommended by or received from a physician within six months before the effective date of coverage.

(d) Loss ratio standards.

The commissioner shall issue reasonable regulations to establish minimum standards for loss ratios and medicare supplement policies on the basis of incurred claims experience and earned premiums for the entire period for which rates are computed to provide coverage and in accordance with accepted actuarial principles and practices. For purposes of regulations issued pursuant to this paragraph, medicare supplement policies issued as a result of solicitations of individuals through the mail or mass media advertising, including both print and broadcast advertising, shall be treated as individual policies.

(e) Disclosure standards.

(1) In order to provide for full and fair disclosure in the sale of accident and sickness policies, to persons eligible for medicare by reason of age, the commissioner may require by regulation that no policy of accident and sickness insurance may be issued for delivery in this state and no certificate may be delivered pursuant to such a policy unless an outline of coverage is delivered to the applicant at the time application is made.

(2) The commissioner shall prescribe the format and content of the outline of coverage required by paragraph one. For purposes of this paragraph, "format" means style,

(C) A statement of the renewal provisions including any reservation by the insurer of the right to change premiums;

(D) A statement that the outline of coverage is a summary of the policy issued or applied for and that the policy should be consulted to determine governing contractual provisions.

(3) The commissioner may prescribe by regulation a standard form and the contents of an informational brochure for persons eligible for medicare by reasons of age, which is intended to improve the buyer's ability to select the most appropriate coverage and improve the buyer's understanding of medicare. Except in the case of direct response insurance policies, the commissioner may require by regulation that the information brochure be provided to any prospective insureds eligible for medicare concurrently with delivery of the outline of coverage. With respect to direct response insurance policies, the commissioner may require by regulation that the prescribed brochure be provided upon request to any prospective insureds eligible for medicare by reason of age, but in no event later than the time of policy delivery.

(4) The commissioner may further promulgate reasonable regulations to govern the full and fair disclosure of the information in connection with the replacement of accident and sickness policies, subscriber contracts or certificates by persons eligible for medicare by reason of age.

(f) Notice of free examination.

Medicare supplement policies or certificates, other than those issued pursuant to direct response solicitation, shall have a notice prominently printed on the first page of the policy or attached thereto stating in substance that the applicant shall have the right to return the policy of certificate within ten days from its delivery and have the premium refunded if, after examination of the policy or certificate, the applicant is not satisfied for any reason. If any provision of this section or the application thereof to any person or circumstance is for any reason held to be invalid, the remainder of the section and the application of such provision to other persons or circumstances shall not be affected thereby.
