Passed March 12, 1983

In Effect Ninety Days From Passage

ENROLLED
COMMITTEE SUBSTITUTE
FOR

H. B. 1395

(By MR. ALBRIGHT)

[Passed March 12, 1983; in effect ninety days from passage.]

AN ACT to amend and reenact section one, article two, chapter twenty-four of the code of West Virginia, one thousand nine hundred thirty-one, as amended, relating to the public service commission; exempting from jurisdiction of the commission natural gas producers who provide natural gas service to not more than twenty-five residential customers; and providing for the commission to regulate such producers in certain cases.

Be it enacted by the Legislature of West Virginia:

That section one, article two, chapter twenty-four of the code of West Virginia, one thousand nine hundred thirty-one, as amended, be amended and reenacted to read as follows:

ARTICLE 2. POWERS AND DUTIES OF PUBLIC SERVICE COMMISSION.

§24-2-1. Jurisdiction of commission; waiver of jurisdiction.

1 The jurisdiction of the commission shall extend to all public
2 utilities in this state, and shall include any utility engaged in
3 any of the following public services:

4 Common carriage of passengers or goods, whether by air,
5 railroad, street railroad, motor or otherwise, by express or

6 otherwise, by land, water or air, whether wholly or partly by
7 land, water or air; transportation of oil, gas or water by
8 pipeline; transportation of coal and its derivatives and all
9 mixtures and combinations thereof with other substances by
10 pipeline; sleeping car or parlor car services; transmission of
11 messages by telephone, telegraph or radio; generation and
12 transmission of electrical energy by hydroelectric or other
13 utilities for service to the public, whether directly or through
14 a distributing utility; supplying water, gas or electricity, by
15 municipalities or others; sewer systems servicing twenty-five or
16 more persons or firms other than the owner of the sewer sy-
17 stems; any public service district created under the provisions
18 of article thirteen-a, chapter sixteen of this code; toll bridges,
19 wharves, ferries; and any other public service: *Provided*,
20 That natural gas producers who provide natural gas service
21 to not more than twenty-five residential customers are exempt
22 from the jurisdiction of the commission with regard to the pro-
23 vision of such residential service: *Provided, however*, That
24 upon request of any of the customers of such natural gas pro-
25 ducers, the commission may, upon good cause being shown,
26 exercise such authority as the commission may deem appro-
27 priate over the operation, rates and charges of such producer
28 and for such length of time as the commission may consider
29 to be proper: *Provided further*, That the jurisdiction the com-
30 mission may exercise over the rates and charges of municipally
31 operated public utilities is limited to that authority granted the
32 commission in section four-b of this article: *And provided*
33 *further*, That the decision making authority granted to the
34 commission in sections four and four-a of this article shall,
35 in respect to an application filed by a public service district,
36 be delegated to a single hearing examiner appointed from the
37 commission staff, which hearing examiner shall be authorized
38 to carry out all decision making duties assigned to the com-
39 mission by said sections, and to issue orders having the full
40 force and effect of orders of the commission.

41 The commission may, upon application, waive its jurisdic-
42 tion and allow a utility operating in an adjoining state to
43 provide service in West Virginia when:

44 (1) An area of West Virginia cannot be practicably and

45 economically served by a utility licensed to operate within the
46 state of West Virginia;

47 (2) Said area can be provided with utility service by a
48 utility which operates in a state adjoining West Virginia;

49 (3) The utility operating in the adjoining state is regulated
50 by a regulatory agency or commission of the adjoining state;
51 and

52 (4) The number of customers to be served is not substantial.

53 The rates the out-of-state utility charges West Virginia cus-
54 tomers shall be the same as the rate the utility is duly autho-
55 rized to charge in the adjoining jurisdiction.

56 The commission, in the case of any such utility, may re-
57 voke its waiver of jurisdiction for good cause.

The Joint Committee on Enrolled Bills hereby certifies that the foregoing bill is correctly enrolled.
