(4) To consolidate schools;

(5) To close any elementary school whose average daily attendance falls below twenty pupils for two months in succession and send the pupils to other schools in the district or to schools in adjoining districts. (15) To allow or disallow their designated employees to use publicly provided carriage to travel from their residences to their workplace and return: Provided, That such usage is subject to the supervision of such board and is directly connected with and required by the nature and in the performance of such employee's duties and responsibilities; and

(16) To provide, at public expense, adequate public liability insurance, including professional liability insurance for board employees.

No policy or contract of public liability insurance providing coverage for public liability shall be purchased as provided herein, unless it shall contain a provision or endorsement whereby the company issuing such policy waives, or agrees not to assert as a defense to any claim covered by the terms of such policy, the defense of governmental immunity.
