For a registered professional nurse employed by a county board of education, “years of experience” means the number of years the nurse has been employed as a public school health nurse, including active work in a nursing position related to education, and service in the armed forces if the nurse was under contract with the county board at the time of induction. For the purpose of section two of this article, the experience of a teacher or a nurse shall be limited to that allowed under his training classification as found in the minimum salary schedule.

(5) “A.B.” means a bachelor’s degree, from an accredited institution of higher education, which has been issued to,

A registered professional nurse with a bachelor's degree, who is licensed by the West Virginia board of examiners for registered professional nurses and employed by a county board of education, shall be within this classification for payment in accordance with sections two and two-a of this article.

(6) "A.B. plus 15" means a bachelor's degree as defined above plus fifteen hours of graduate work, from an accredited institution of higher education certified to do graduate work, in an approved planned program at the graduate level which requirements have been met by a person who qualifies for or holds a professional certificate or its equivalent.

(7) "M. A." means a master's degree, earned in an institution of higher education approved to do graduate work, which has been issued to, or the requirements for such have been met by, a person who qualifies for or holds a professional certificate or its equivalent.
