Be it enacted by the Legislature of West Virginia:

That chapter five of the code of West Virginia, one thousand nine hundred thirty-one, as amended, be amended by adding thereto a new article, designated article twenty-two; and that
section nine, article three, chapter five-a of the code of West Virginia, one thousand nine hundred thirty-one, as amended, be amended and reenacted, all to read as follows:

CHAPTER 5. GENERAL POWERS AND AUTHORITY OF THE GOVERNOR, SECRETARY OF STATE AND ATTORNEY GENERAL; BOARD OF PUBLIC WORKS; MISCELLANEOUS AGENCIES, COMMISSIONS, OFFICES, PROGRAMS, ETC.

ARTICLE 22. COMMISSION ON MASS TRANSPORTATION.

§5-22-1. Legislative findings and purposes.

1 The Legislature finds:
2 (a) That throughout the state, in both urban and rural areas, there exists a need for a coordinated system of mass transportation in order to enable many segments of the population and particularly the aged, physically handicapped and economically disadvantaged, to get to and from work, medical and hospital facilities, shopping areas, recreational facilities, churches and other institutions which are essential to their health, safety and economic well-being;
3 (b) That in certain urban and rural areas of the state, mass transportation authorities have been created pursuant to article twenty-seven, chapter eight of this code which now operate publicly owned mass transportation systems serving limited regions or communities;
4 (c) That in many urban and rural areas of the state, there exist no systems of mass transportation, either public or private, to meet the needs of the people;
5 (d) That while financial assistance is available to certain areas of the state from the federal government, these resources are uncertain and insufficient to adequately meet the perceived needs of the people; and
6 (e) That given the limited financial resources of the state, it is necessary and desirable to create an agency within state government, the functions of which shall be to actively study, investigate, consider, evaluate and recommend to the governor and to the Legislature from time to time ways and means whereby mass transportation of all types can be supported, improved, created and otherwise assisted and to formulate plans and specific proposals for future executive and legislative consideration
with respect to a state policy and program on mass
transportation which will involve the cooperation of
existing urban mass transportation authorities and other
providers, both public and private.

§5-22-2. Creation of commission; composition; appointment of
members.

The West Virginia commission on mass transporation is
hereby created. The commission shall consist of thirteen

2 subscribe to the constitutional oath before entering upon
3 their duties. Their oaths shall be filed with the secretary of
4 state.
