ARTICLE 3. ORIGINAL AND RENEWAL OF REGISTRATION; ISSUANCE OF CERTIFICATE OF TITLE.

§17A-3-24. Registration of street rod vehicles.

1 As used in this section "street rod vehicle" means a vehicle manufactured in the year one thousand nine hundred forty-eight, or prior thereto, with a body design which has been modified for safe road use, including, but
not limited to, modifications of the drive train, suspension
and brake system, modifications to the body through the

Any applicant who applies for a certificate of title for a
street rod that is reconstructed from salvage parts or
other motor vehicles or reproduction parts, must furnish
evidence of ownership acceptable to the commissioner of
such salvage parts, other vehicles or reproduction parts
used in reconstruction of such vehicle. In addition, the
applicant must also furnish an affidavit, under penalty of

parts, other motor vehicles or reproduction parts shall be
issued a special identification number by the commis-

In addition to the annual registration fee set forth in
section three, article ten of this chapter, there shall be a
fee of twenty-five dollars which shall be paid to the de-
partment for each application for a street rod registration
plate. The special registration plate issued for a street rod
vehicle shall be designed by the commissioner of the
department of motor vehicles and shall bear the words
