**CHAPTER 29A. STATE ADMINISTRATIVE
PROCEDURES.**

ARTICLE 3. RULE MAKING.

§29A-3-15. Emergency legislative rules; procedure for promulgation; definition.

1 (a) Any agency with authority to propose legislative
2 rules may, without hearing, find that an emergency exists
3 requiring that emergency rules be promulgated and
4 promulgate the same in accordance with this section. Such
5 emergency rules, together with a statement of the facts and
6 circumstances constituting the emergency, shall be filed in
7 the state register and shall become effective immediately
8 upon such filing. Such emergency rules may adopt, amend
9 or repeal any legislative rule, but the circumstances
10 constituting the emergency requiring such adoption,
11 amendment or repeal shall be stated with particularity and
12 be subject to de novo review by any court having original
13 jurisdiction of an action challenging their validity. Fifteen
14 copies of the rules and of the required statement shall be
15 filed forthwith with the legislative rule-making review
16 committee.

17 An emergency rule shall be effective for not more than
18 fifteen months and shall expire earlier if any of the
19 following occurs:

20 (1) The secretary of state, acting under the authority
21 provided for in section fifteen-a of this article, or the
22 attorney general, acting under the authority provided for in
23 section fifteen-b of this article, disapproves the emergency
24 rule because (A) the agency has exceeded the scope of its
25 statutory authority in promulgating the emergency rule; (B)
26 an emergency does not exist justifying the promulgation of
27 such rule; or (C) the rule was not promulgated in
28 compliance with the provisions of this section.

29 (2) The agency has not previously filed and fails to file a
30 notice of public hearing on the proposed rule within sixty
31 days of the date the proposed rule was filed as an emergency
32 rule; in which case the emergency rule expires on the sixty-
33 first day.

34 (3) The agency has not previously filed and fails to file
35 the proposed rule with the legislative rule-making review
36 committee within one hundred eighty days of the date the

37 proposed rule was filed as an emergency rule; in which case
38 the emergency rule expires on the one hundred eighty-first
39 day.

40 (4) The Legislature has authorized or directed
41 promulgation of an authorized legislative rule dealing with
42 substantially the same subject matter since such emergency
43 rule was first promulgated, and in which case the
44 emergency rule expires on the date the authorized rule is
45 made effective.

46 (5) The Legislature has, by law, disapproved of such
47 emergency rule; in which case the emergency rule expires
48 on the date the law become effective.

49 (b) Any amendment to an emergency rule made by the
50 agency shall be filed in the state register and does not
51 constitute a new emergency rule for the purpose of
52 acquiring additional time or avoiding the expiration dates
53 in subdivision (1), (2), (3) or (4), subsection (a) of this section.

54 (c) Once an emergency rule expires due to the
55 conclusion of fifteen months or due to the effect of
56 subdivision (1), (2), (3) or (4), subsection (a) of this section,
57 the agency may not refile the same or similar rule as an
58 emergency rule.

59 (d) Emergency legislative rules currently in effect under
60 the prior provisions of this section may be refiled under the
61 provisions of this section.

62 (e) The provision of this section shall not be used to
63 avoid or evade any provision of this article or any other
64 provisions of this code, including any provisions for
65 legislative review and approval of proposed rules. Any
66 emergency rule promulgated for any such purpose may be
67 contested in a judicial proceeding before a court of
68 competent jurisdiction.

69 (f) The legislative rule-making review committee may
70 review any emergency rule to determine (1) whether the
71 agency has exceeded the scope of its statutory authority in
72 promulgating the emergency rule; (2) whether there exists
73 an emergency justifying the promulgation of such rule; and
74 (3) whether the rule was promulgated in compliance with
75 the requirements and prohibitions contained in this section.
76 The committee may recommend to the agency, the
77 Legislature, or the secretary of state such action as it may
78 deem proper.

79 (g) For the purposes of this section, an emergency exists

80 when the promulgation of a rule is necessary for the
81 immediate preservation of the public peace, health, safety
82 or welfare or is necessary to comply with a time limitation
83 established by this code or by a federal statute or regulation
84 or to prevent substantial harm to the public interest.

**§29A-3-15a. Disapproval of emergency rules by the secretary
of state; judicial review.**

1 (a) Upon the filing of an emergency rule by an agency,
2 under the provisions of section fifteen of this article, by any
3 agency, except for the secretary of state, the secretary of
4 state shall review such rule and, within forty-two days of
5 such filing, shall issue a decision as to whether or not such
6 emergency rule should be disapproved. "An emergency rule
7 filed by the secretary of state shall be reviewed by the
8 attorney general as provided for in section fifteen-b of this
9 article.

11 rule if he determines:

12 (1) That the agency has exceeded the scope of its
13 statutory authority in promulgation of the emergency rule;

14 (2) That an emergency does not exist justifying the
15 promulgation of the rule; or

16 (3) That the rule was not promulgated in compliance
17 with the provisions of section fifteen of this article.

18 (c) If the secretary of state determines, based upon the
19 contents of the rule or the supporting information filed by
20 the agency, that the emergency rule should be disapproved,
21 he may disapprove such rule without further investigation,
22 notice or hearing. If, however, the secretary of state
23 concludes that the information submitted by the agency is
24 insufficient to allow a proper determination to be made as
25 to whether the emergency rule should be disapproved, he
26 may make further investigation, including, but not limited
27 to, requiring the agency or other interested parties to
28 submit additional information or comment or fixing a date,
29 time and place for the taking of evidence on the issues
30 involved in making a determination under the provisions of
31 this section.

32 (d) The determination of the secretary of state shall be
33 reviewable by the supreme court of appeals under its
34 original jurisdiction, based upon a petition for a writ of
35 mandamus, prohibition of certiorari, as appropriate. Such
36 proceeding may be instituted by:

- 37 (1) The agency which promulgated the emergency rule;
- 38 (2) A member of the Legislature; or
- 39 (3) Any person whose personal property interests will
- 40 be significantly affected by the approval or disapproval of
- 41 the emergency rule by the secretary of state.

- 6 (b) The attorney general shall disapprove an emergency
- 7 rule if he determines:
 - 8 (1) That the secretary of state has exceeded the scope of
 - 9 its statutory authority in promulgating the emergency rule;
 - 10 (2) That an emergency does not exist justifying the
 - 11 promulgation of the rule; or
 - 12 (3) That the rule was not promulgated in compliance
 - 13 with the provisions of section fifteen of this article.
- 14 (c) If the attorney general determines, based upon the
- 15 contents of the rule or the supporting information filed by
- 16 the secretary of state, that the emergency rule should be
- 17 disapproved, he may disapprove such rule without further
- 18 investigation, notice or hearing. If, however, the attorney
- 19 general concludes that the information submitted by the

- 21 determination to be made as to whether the emergency rule
- 22 should be disapproved, he may make further investigation,
- 23 including, but not limited to, requiring the secretary of state
