(By Delegate Bradley)

[Passed March 12, 1988; in effect ninety days from passage.]

AN ACT to amend and reenact section twelve, article eight, chapter thirty-one-a of the code of West Virginia, one thousand nine hundred thirty-one, as amended, relating to banks and banking; procedure for authorization of branch banks; penalties; and providing that acceptance of a deposit at the offices of any affiliate bank for credit to the customer's account at any other affiliate bank of the same bank holding company is permissible and does not constitute branch banking.

Be it enacted by the Legislature of West Virginia:

That section twelve, article eight, chapter thirty-one-a of the code of West Virginia, one thousand nine hundred thirty-one, as amended, be amended and reenacted to read as follows:

ARTICLE 8. HEARINGS; ADMINISTRATIVE PROCEDURES; JUDICIAL REVIEW; UNLAWFUL ACTS; PENALTIES.

§31A-8-12. Procedure for authorization of branch banks; penalties for violation of section.

1 No banking institution shall engage in business at any place other than at its principal office in this state, at a branch bank in this state permitted by this section as a customer bank communication terminal permitted by section twelve-b of this article or at any loan origination office permitted by section twelve-c of this article:

Provided, That acceptance of a deposit at the offices of
any subsidiary, as defined in section two, article eight-
a of this chapter, for credit to the customer's account at
any other subsidiary of the same bank holding company
is permissible and does not constitute branch banking.

Any banking institution which on January one, one
thousand nine hundred eighty-four, was authorized to
operate an off-premises walk-in or drive-in facility,
pursuant to the law then in effect, may, as of the seventh
day of June, one thousand nine hundred eighty-four,
operate such facility as a branch bank and it shall not
be necessary, for the continued operation of such branch
bank, to obtain additional approvals, notwithstanding
the provisions of subsection (d) of this section and
subdivision (6), subsection (b), section two, article three
of this chapter.

(b) Except for a bank holding company, it shall be
unlawful for any individual, partnership, society,
association, firm, institution, trust, syndicate, public or
private corporation, or any other legal entity, or
combination of entities acting in concert, to directly or
indirectly own, control or hold with power to vote,
twenty-five percent or more of the voting shares of each
of two or more banks, or to control in any manner the
election of a majority of the directors of two or more
banks.

(c) A banking institution may establish branch banks
either by:

(1) The construction, lease or acquisition of branch
bank facilities as follows:

(A) After the seventh of June, one thousand nine
hundred eighty-four, within the county in which that
banking institution's principal office is located or within
the county in which that banking institution had prior
to January first, one thousand nine hundred eighty-four,
established a branch bank, pursuant to subdivision (2)
of this subsection; and

(B) After the thirty-first of December, one thousand
nine hundred eighty-six, within any county in this state; or
(2) The purchase of the business and assets and assumption of the liabilities of, or merger or consolidation with, another banking institution.

(d) Notwithstanding any other provision of this chapter to the contrary, subject to and in furtherance of the board's authority under the provisions of subdivision (6), subsection (b), section two, article three of this chapter, and subsection (g) of this section, the board may approve or disapprove the application of any state banking institution to establish a branch bank.

(e) The principal office of a banking institution as of the seventh day of June, one thousand nine hundred eighty-four, shall continue to be the principal office of such banking institution for purposes of establishing branch banks under this section, notwithstanding any subsequent change in the location of such banking institution's principal office.

(f) Any banking institution which is authorized to establish branch banks pursuant to this section may provide the same banking services and exercise the same powers at each such branch bank as may be provided and exercised at its principal banking house.

(g) The board shall, upon receipt of any application to establish a branch bank, provide notice of such application to all banking institutions. A banking institution may, within ten days after receipt of such notice, file a petition to intervene and shall, if it so files such petition, thereupon become a party to any hearing relating thereto before the board.

(h) The commissioner shall prescribe the form of the application for a branch bank and shall collect an examination and investigation fee of one thousand dollars for each filed application for a branch bank that is to be established by the construction, lease or acquisition of a branch bank facility, and two thousand five hundred dollars for a branch bank that is to be established by the purchase of the business and assets and assumption of the liabilities of, or merger or consolidation with another banking institution. The board shall complete the examination and investigation
within ninety days from the date on which such application and fee are received, unless the board request in writing additional information and disclosures concerning the proposed branch bank from the applicant banking institution, in which event such ninety-day period shall be extended for an additional period of thirty days plus the number of days between the date of such request and the date such additional information and disclosures are received.

(i) Upon completion of the examination and investigation with respect to such application, the board shall, if a hearing be required pursuant to subsection (j) of this section, forthwith give notice and hold a hearing pursuant to the following provisions:

(1) Notice of such hearing shall be given to the banking institution with respect to which the hearing is to be conducted in accordance with the provisions of section two, article seven, chapter twenty-nine-a of this code, and such hearing and the administrative procedures in connection therewith shall be governed by all of the provisions of article five, chapter twenty-nine-a of this code, and shall be held at a time and place set by the board but shall not be less than ten nor more than thirty days after such notice is given.

(2) At any such hearing a party may represent himself or be represented by an attorney-at-law admitted to practice before any circuit court of this state.

(3) After such hearing and consideration of all the testimony and evidence, the board shall make and enter an order approving or disapproving the application, which order shall be accompanied by findings of fact and conclusions of law as specified in section three, article five, chapter twenty-nine-a of this code, and a copy of such order and accompanying findings and conclusions shall be served upon all parties to such hearing and their attorneys of record, if any.

(j) No state banking institution may establish a branch bank until the board, following an examination, investigation, notice and hearing, enters an order approving an application for that branch bank:
Provided, That no such hearing shall be required with respect to any application to establish a branch bank which is approved by the board unless a banking institution has timely filed a petition to intervene pursuant to subsection (g) of this section. The order shall be accompanied by findings of fact that:

(1) Public convenience and advantage will be promoted by the establishment of the proposed branch bank;

(2) Local conditions assure reasonable promise of successful operation of the proposed branch bank and of those banks and branches thereof already established in the community;

(3) Suitable physical facilities will be provided for the branch bank;

(4) The applicant state-chartered banking institution satisfies such reasonable and appropriate requirements as to sound financial condition as the commissioner or board may from time to time establish by regulation;

(5) The establishment of the proposed branch bank would not result in a monopoly, nor be in furtherance of any combination or conspiracy to monopolize the business of banking in any section of this state; and

(6) The establishment of the proposed branch bank would not have the effect in any section of the state of substantially lessening competition, nor tend to create a monopoly or in any other manner be in restraint of trade, unless the anticompetitive effects of the establishment of that proposed branch bank are clearly outweighed in the public interest by the probable effect of the establishment of the proposed branch bank in meeting the convenience and needs of the community to be served by that proposed branch bank.

(k) Any party who is adversely affected by the order of the board shall be entitled to judicial review thereof in the manner provided in section four, article five, chapter twenty-nine-a of this code. Any such party adversely affected by a final judgment of a circuit court following judicial review as provided in the foregoing
sentence may seek review thereof by appeal to the supreme court of appeals in the manner provided in article six, chapter twenty-nine-a of this code.

(i) Pursuant to the resolution of its board of directors and with the prior written approval of the commissioner, a state banking institution may discontinue the operation of a branch bank upon at least thirty days' prior public notice given in such form and manner as the commissioner prescribes.

(m) Any violation of any provision of this section shall constitute a misdemeanor offense punishable by applicable penalties as provided in section fifteen, article eight of this chapter.
