ENROLLED

Senate Bill No. 641

(Originating in the Committee on Finance)

[Passed March 12, 1988; in effect from passage.]

AN ACT finding and declaring certain claims against the state and its agencies to be moral obligations of the state and directing the auditor to issue warrants for the payment thereof.

Be it enacted by the Legislature of West Virginia:

CLAIMS AGAINST THE STATE.

§1. Finding and declaring certain claims against the civil service system and the department of education to be moral obligations of the state and directing payment thereof.

1 The Legislature has heretofore made findings of fact that
2 the state has received the benefit of the services rendered by
3 certain claimants herein and has considered claims against
4 the state, agencies thereof, which have arisen due to over-
5 expenditures of the departmental appropriations by
6 officers of such state spending unit, such claims having
7 been previously considered by the court of claims which
8 also found that the state has received the benefit of the
9 services rendered by each claimant, but were denied by the
10 court of claims on the purely statutory grounds that to allow
11 such claims would be condoning illegal acts contrary to the
12 laws of the state. The Legislature pursuant to its findings of

13 fact and also by the adoption of the findings of fact by the
14 court of claims as its own, and, while not condoning such
15 illegal acts, hereby declares it to be the moral obligation of
16 the state to pay each such claim in the amount specified
17 below, and directs the auditor to issue warrants upon
18 receipt of a properly executed requisition supported by an
19 itemized invoice, statement or other satisfactory document
20 as required by section ten, article three, chapter twelve of
21 the code of West Virginia, one thousand nine hundred
22 thirty-one, as amended, for the payment thereof out of any
23 fund appropriated and available for the purpose.
