9 The purpose of this supplementary appropriation bill
10 is to appropriate public money, as specified, with
11 insertion of such moneys into accounts in the budget
12 bill and specified items thereof, together with all
13 adjustments of increase required. These public mon-
14 eys, as newly provided for, shall be available for such
15 use and expenditure upon passage of the bill and in
16 fiscal year 1990-91, supplementing the budget bill for
17 such fiscal year earlier enacted.

18 It is the intent of the Legislature that salary
19 increases made possible by these appropriations and
20 other funds available to agencies be implemented by
21 the division of personnel, excluding accounts governed
22 by the board of directors of the college system and the
23 board of trustees of the university system, by estab-
24 lishing a minimum annual salary for full time regular
25 employees within the classified service of ten thousand
26 dollars per annum. It is further the intent of the
27 Legislature to increase every annual salary in the pay
28 plan for full time regular employees by one thousand
and eight dollars unless the ten thousand dollars mentioned above establishes a higher increase: *Provided*, That any full time state employee, except employees of the board of directors of the college system and the board of trustees of the university system, who has received a salary increase of four thousand dollars per annum or more during the last twelve months and has not changed classification shall be excluded from this salary increase.
