3 county airport authority to be known as the
4 "---------------- County Airport
5 Authority" for the purposes and in the manner
6 hereinafter set forth.

§8-29A-2. Appointment of members; powers and duties; compensation; terms; removal or replacement.

The board shall constitute and be a public corporation under the name of “_________________________ County Airport Authority” and as such shall have perpetual succession, may contract and be contracted with, sue and be sued, plead and be impleaded, and have and use a common seal.

(b) All members shall be appointed by the county commission: Provided, That one member of the authority shall be a member of the county commission: Provided, however, That of the remaining four members of the authority no more than two shall be members of the same political party. Members shall be residents of the county and be appointed for a term of five years, except that as to the first four appointed to the first board appointed, the term of one member shall expire on the first day of July next ensuing and the term of the next member shall expire on the first day of July two years thereafter, the term of another member shall expire on the first day of July three years thereafter and the term of the remaining member shall expire on the first day of July four years thereafter: Provided further, That the county commissioner appointed to serve as a member of the authority shall not serve for a term as member of the authority which is longer than the term of office as a member of the county commission.

(c) The members of said board shall receive no compensation for their services, but they shall be entitled to reimbursement for all reasonable and necessary expenses actually incurred in the performance of their duties as members of said board. They shall not be personally, interested, directly or indirectly, in any contract entered into by said board, or hold any remunerative position in connection with the establishment, construction, improvement, extension, development, maintenance or operation of any of the property under their control as members of said board.
(d) The county commission shall have the power to remove any member of the authority for consistent violations of any provisions of this article, for reasonable cause which shall include, but not be limited to, a continued failure to attend meetings of the authority, failure to diligently pursue the objectives for which the authority was created or failure to perform any other duty prescribed by law, or for any misconduct in office: Provided, That if the county commission desires to remove a member of the authority it shall notify said member in writing, stating the reasons for the county commission desiring said removal. Within ten days of the receipt of the written notice of removal by the member of the authority, the member may request a hearing before the county commission, and any such hearing shall be held within ten days of the member's request for said hearing.

If any member of the authority shall die, resign or be removed, or for any other reason cease to be a member of the authority, the county commission shall within thirty days appoint another person to fill the unexpired portion of the term of such member.

(a) The authority is hereby authorized and empowered to acquire, equip, construct, improve, maintain and operate a public airport within the county, with all usual and convenient appurtenances and facilities pertaining thereto, including, but not limited to, an industrial park and a waterworks or sewerage system or a combined waterworks and sewerage system, and said airport shall be for the convenience and accommodation of the inhabitants of the county and the public generally.

(14) To establish, charge and collect reasonable fees and charges for services or for the use of any part of its property or facilities, or for both services and such use;

(15) To lease its airport and all or any part of the appurtenances and facilities therewith to any available lessee, subject to all constitutional and statutory limitations with respect thereto, at such rental and upon such terms and conditions as the authority shall deem proper: Provided, That such lease shall be for
some purpose associated with airport activities and
subordinate to any mortgage or deed of trust executed
by the authority; and

(16) To expend its funds in the execution of the
powers and authority herein given.

§8-29A-4. Funds; accounting; reporting.

1 All funds received by the authority from whatever
2 source shall be deposited in such bank or banks as the
3 authority may direct and shall be withdrawn there-
4 from in such manner as the authority may direct. The
5 authority shall keep strict account of all its receipts
6 and expenditures and shall each quarter make a
7 quarterly report to the county commission containing
8 an itemized account of its receipts and disbursements
9 during the preceding quarter. Such report shall be
10 made within sixty days after the termination of the
11 quarter.

12 Within sixty days after the end of each fiscal year,
13 the authority shall make an annual report containing
14 an itemized statement of its receipts and disburse-
15 ments for the preceding year, and such annual report
16 shall be published as a Class II-0 legal advertisement
17 in compliance with the provisions of article three,
18 chapter fifty-nine of this code, and the publication
19 area for such publication shall be the county. The
20 books, records and accounts of the authority shall be
21 subject to audit and examination by the office of the
22 state tax commissioner of West Virginia and by any
23 other proper public official or body in the manner
24 provided by law.

§8-29A-5. Full-time employees of the authority to be public
employees.

1 Any person who serves regularly as an employee,
2 full time, on a salary basis, whose tenure is not
3 restricted as to temporary or provisional appointment,
4 in the service of, and whose compensation is payable
5 in whole or in part by the authority, shall be deemed
6 to be a public employee and shall be subject to any
7 and all applicable provisions of law relating thereto,
including, but not limited to, the workers’ compensation act and the West Virginia public employees insurance act.

§8-29A-6. Authority may incur indebtedness; county not liable for indebtedness.

1 The authority may incur any proper indebtedness and issue any obligations and give any security therefor which it may deem necessary or advisable in connection with carrying out its purposes. No statutory limitation with respect to the nature or amount of indebtedness which may be incurred by municipalities or other bodies shall apply to indebtedness of the authority. No indebtedness of any nature of the authority shall constitute an indebtedness of the county commission, nor of the county, or a charge against any property of the county. No obligation incurred by the authority shall give any right against any member of the county commission or any member of the board of the authority. The rights of creditors of the authority shall be solely against the authority as a corporate body and shall be satisfied only out of property held by it in its corporate capacity.

§8-29A-7. Exemption from taxes; payment for portion used as industrial park.

1 The authority shall be exempt from the payment of any taxes or fees to the state or any subdivisions thereof or any municipalities or to any officer or employee of the state or of any subdivision thereof or of any municipalities. The property of the authority shall be exempt from all local and municipal taxes. Bonds, notes, debentures and other evidence of indebtedness of the authority are declared to be issued for a public purpose and to be public instrumentalities, and, together with interest thereon, shall be exempt from taxes.

12 It shall be the duty of the county assessor on the first day of July of each year to ascertain what portion of the real and personal property of the authority, if any, is devoted to use as an industrial park and to
appraise such property as if taxable. The assessor shall likewise determine the tax which would be levied upon such property if it were taxable. On the first day of August of the year following such determination and the first day of February thereafter, the authority shall pay unto the sheriff of the county a sum of money equal to that which would have been due if the property were taxable, which sums shall be distributed by the sheriff as if such sums were tax receipts.

§8-29A-8. County commission authorized to convey present airport properties and facilities to the authority.

Notwithstanding any other provision of law to the contrary, the county commission of a county is hereby authorized to convey to the authority the present airport property owned by the county, if any, situate in the county, together with all the appurtenances and facilities therewith, such conveyance to be without consideration or for such price and upon such terms and conditions as the county commission shall deem proper.

If the authority should realize a surplus, whether from operating the airport or leasing it for operation, over and above the amount required for the maintenance, improvement and operation of the airport and for meeting all required payments on its obligations, it shall set aside such reserve for future operations, improvements and contingencies as it shall deem proper and shall then apply the residue of such surplus, if any, to the payment of any recognized and established obligations not then due; and after all such recognized and established obligations have been paid off and discharged in full, the authority shall, at the end of each fiscal year, set aside the reserve for future operations, improvements and contingencies, as aforesaid, and then pay the residue of such surplus, if any, to the county commission, to be used by the county commission for general county purposes.

The authority may at any time pay off and discharge
in full all of its indebtedness, obligations and liabilities, convey the airport properties, appurtenances and facilities to the county commission and be dissolved. Before making such conveyance of its properties, the authority shall give notice of its intention to do so and of its intention to be dissolved, and said notice shall be published as a Class I-0 legal advertisement in compliance with the provisions of article three, chapter fifty-nine of this code, and the publication area for such publication shall be the county. Affidavits from the publishers of the newspapers showing such publication shall be filed with the county commission before the deed conveying said properties is delivered. Any funds remaining in the hands of the authority at the time of the conveyance of said properties shall be by the authority paid over to the county commission to be used by it for purposes in connection with said airport. Upon the payment of its indebtedness, obligations and liabilities, the publishing of the notices aforesaid, the conveyance of its properties, and the paying over to the county commission of any funds remaining in its hands, the authority shall cause a certificate showing its dissolution to be executed under its name and seal and to be recorded in the office of the clerk of the county commission and thereupon its dissolution shall be complete.

§8-29A-11. Purpose of article; liberal construction; article cumulative.

It is the purpose of this article to provide for the acquisition, construction, improvement, extension, maintenance and operation of a public airport and related facilities in a prudent and economical manner, and this article shall be liberally construed as giving to the authority full and complete power reasonably required to give effect to the purposes hereof. The provisions of this article are in addition to and not in derogation of any power existing in the county commission of a county under any constitutional or statutory provisions which it may now have, or may hereafter acquire.
