**ARTICLE 6C. GUARANTEED LOSS RATIOS AS APPLIED TO INDIVIDUAL SICKNESS AND ACCIDENT INSURANCE POLICIES.**

**§33-6C-1. Loss ratio guarantees; definitions.**

1 As used in this article:

2 (a) "Commissioner" means the insurance commis-  
3 sioner of West Virginia;

4 (b) "Experience period" means, for any given rate  
5 filing for which a loss ratio guarantee is made, the  
6 period beginning on the first day of the calendar year  
7 during which the guaranteed rates first take effect and  
8 ending on the last day of the calendar year during  
9 which the insurer earns one million dollars in premi-  
10 ums on the form in West Virginia or, if the annual  
11 premium earned on the form in West Virginia is less  
12 than one million dollars, earns nationally;

13 (c) "Form" means individual sickness and accident  
14 policy forms of any insurer offering such benefits;

15 (d) "Loss ratio" means the ratio of incurred claims  
16 to earned premium; and

17 (e) "Successive experience period" means the expe-  
18 rience period beginning on the first day following the  
19 end of the preceding experience period.

**§33-6C-2. Insurance commissioner to establish guaranteed loss ratios; minimum rates; participation by insurer; calculation of ratios; minimum rate; application.**

1 (a) The insurance commissioner shall establish a  
2 guaranteed loss ratio which may be implemented by  
3 any insurer offering individual sickness and accident

4 insurance policies. The loss ratios shall be calculated  
5 by the commissioner and each individual insurer and  
6 shall be based upon studies and relevant information  
7 collected from various sources, including, but not  
8 limited to, the health care cost review authority and  
9 the national association of insurance commissioner's  
10 rate filing guidelines: *Provided*, That the guaranteed  
11 loss ratio shall not be less than fifty-five percent. The  
12 guaranteed loss ratio for each insurer shall be pub-  
13 lished by the insurance commissioner in the register  
14 maintained by the secretary of state.

15 (b) The guaranteed loss ratio shall be based upon  
16 experience periods during which the insurer earns one  
17 million dollars in premium in West Virginia: *Provided*,  
18 That if the annual earned premium volume in West  
19 Virginia is less than one million dollars, the loss ratio  
20 guarantee shall be based on such other actuarially  
21 sound methods as the commissioner may determine  
22 are appropriate, including, but not limited to, the  
23 actual nationwide loss ratios: *Provided, however*, That  
24 if the aggregate earned premium for all states is less  
25 than one million dollars, the experience period will be  
26 extended until the end of the calendar year in which  
27 one million dollars of earned premium is attained.

28 (c) Any insurer may apply to the commissioner to  
29 operate on a guaranteed loss ratio basis. The insurance  
30 commissioner shall review each application and, in his  
31 or her discretion, approve or reject the same. Any  
32 insurer approved by the commissioner shall be exempt  
33 from filing rate increase applications as required by  
34 the commissioner and other provisions of this chapter.

**§33-6C-3. Duties of insurance commissioner; promulgation  
of rules.**

1 (a) The insurance commissioner shall promulgate  
2 rules and regulations pursuant to chapter twenty-  
3 nine-a of this code establishing procedures for imple-  
4 menting the provisions of this article.

5 (b) The commissioner shall have the authority to  
6 examine the records and files of any insurer to  
7 determine compliance with the provisions of this

8 article, the costs of which such examination shall be  
9 borne by the insurer.

10 (c) The insurance commissioner shall develop all  
11 forms, contracts or other documents to be used for the  
12 purposes outlined in this article.

**§33-6C-4. Form of guarantee; requirements.**

1 (a) Individual sickness and accident policy benefits  
2 under a policy form shall be deemed reasonable in  
3 relation to the premium charged, as required by  
4 paragraph (e), section nine, article six of this chapter,  
5 if the premium rates are filed pursuant to a loss ratio  
6 guarantee which meets the requirements of this  
7 article. The insurance commissioner shall not with-  
8 draw approval of a form on the grounds that benefits  
9 are unreasonable in relation to premiums charged so  
10 long as the insurer complies with the terms of the loss  
11 ratio guarantee.

12 (b) Each insurer of individual sickness and accident  
13 policy benefits shall execute and deliver to the insur-  
14 ance commissioner a loss ratio guarantee, to be  
15 provided by the commissioner, which guarantee shall  
16 be signed by an officer of the insurer.

17 (c) Each loss ratio guarantee shall contain, at a  
18 minimum, the following:

19 (1) A recitation of the anticipated lifetime and  
20 durational target loss ratios contained in the original  
21 actuarial memorandum filed with the policy form  
22 when it was originally approved;

23 (2) A guarantee that the actual West Virginia loss  
24 ratios for the experience period in which the new  
25 rates take effect, and for each experience period  
26 thereafter until new rates are filed, will meet or  
27 exceed the anticipated lifetime and durational target  
28 loss ratios contained in the original actuarial memo-  
29 randum noted above;

30 (3) A guarantee that the actual West Virginia, or, if  
31 applicable, national, loss ratio results for the experi-  
32 ence period at issue will be independently audited at

33 the insurer's expense; that such audit will be com-  
34 pleted in the second quarter of the year following the  
35 end of the experience period; and that the results of  
36 such audit will be reported to the insurance commis-  
37 sioner not later than the thirtieth day of June follow-  
38 ing the end of the experience period;

39 (4) A guarantee that if the actual loss ratio during an  
40 experience period is less than the anticipated loss ratio  
41 for that period, then West Virginia policyholders will  
42 receive a proportional refund based on premium  
43 earned, which refunds shall be calculated and paid  
44 pursuant to section thirty-nine of this article; and

45 (5) A guarantee that the insurer does not engage in  
46 any discriminatory practices prohibited by section  
47 four, article eleven of this chapter or any such practice  
48 which discriminates against any individual on the  
49 basis of his or her legal occupation, race, religion or  
50 residence.

**§33-6C-5. Premium refunds; calculation of the same;  
payments.**

1 (a) Refunds to West Virginia policyholders made  
2 pursuant to section four of this article and based upon  
3 annual earned premium volume in West Virginia shall  
4 be calculated by multiplying the anticipated loss ratio  
5 by the applicable earned premium during the experi-  
6 ence period and subtracting from that result the actual  
7 incurred claims during the experience period.

8 (b) Refunds to West Virginia policyholders made  
9 pursuant to section four of this article and based upon  
10 national annual earned premium volume shall be  
11 calculated by:

12 (1) Multiplying the anticipated loss ratio by the  
13 applicable earned premium during the experience  
14 period and subtracting from that result the actual  
15 incurred claims during the experience period; and

16 (2) Multiplying the results of subsection (1) by the  
17 total earned premium during the experience period  
18 from all West Virginia policyholders eligible for  
19 refunds; and

20 (3) Dividing the results of subsection (2) by the total  
21 earned premium during that period in all states on the  
22 policy form.

23 (c) Refunds must be made to all West Virginia  
24 policyholders who are insured under the applicable  
25 policy form as of the last day of the experience period.  
26 Such refund shall include interest, at the current  
27 accident and health reserve interest rate established  
28 by the national association of insurance commission-  
29 ers, from the end of the experience period until the  
30 date of payment. Payment shall be made during the  
31 third quarter of the year following the experience  
32 period for which a refund is determined to be due.

33 (d) Refunds of less than ten dollars shall be aggre-  
34 gated and held by the insurer in a policyholders'  
35 liability fund and shall be used to offset any future  
36 rate increases.

**§33-6C-6. Disclosure of rating practices; renewability provisions.**

1 Each insurer providing individual sickness and  
2 accident policy benefits shall make reasonable disclo-  
3 sure in solicitation and sales materials provided to  
4 individuals of the following:

5 (a) The extent to which premium rates for individ-  
6 uals are established or adjusted according to the claim  
7 experience, health status or duration of coverage of  
8 the individual or his or her dependents;

9 (b) Provisions concerning the insurer's right to  
10 change premium rates and factors, including case  
11 characteristics, which affect changes in premium  
12 rates;

13 (c) A description of the class of insureds to which the  
14 individual is or will be included; and

15 (d) Provisions relating to renewability of coverage.

**§33-6C-7. Rejection of guarantees; notice; hearing.**

1 (a) The insurance commissioner may reject any loss  
2 ratio guarantee filed by an insurer within sixty days

3 from the date on which it was filed for any of the  
4 following reasons:

5 (1) The insurer has demonstrated an inability to  
6 adequately monitor its loss ratios;

7 (2) The insurer has failed to take timely rate  
8 increases in accordance with sound actuarial principles  
9 during the three-year period prior to filing the loss  
10 ratio guarantee;

11 (3) The insurer has not complied with the terms of  
12 a previously filed loss ratio guarantee;

13 (4) The insurer has submitted false, misleading or  
14 fraudulent material or information to the  
15 commissioner;

16 (5) The insurer is impaired, insolvent or such other  
17 similar financial condition as defined in article ten or  
18 any other article of this chapter; or

19 (6) Such other criteria as the commissioner, by  
20 legislative rule or regulation, may determine is  
21 appropriate.

22 (b) The insurance commissioner may reject or  
23 cancel any loss ratio guarantee filed by an insurer  
24 which had been previously approved if, upon review  
25 and investigation, the commissioner determines that  
26 the insurer has not complied with the provisions of the  
27 guarantee or this article.

28 (c) In the event a newly submitted loss ratio guar-  
29 antee is rejected, the commissioner shall, within sixty  
30 days after the date the loss ratio guarantee was filed,  
31 mail notice of the rejection to the insurer. In the event  
32 an existing or previously approved loss ratio guarantee  
33 is cancelled, the commissioner shall mail notice of the  
34 rejection or cancellation to the insurer within fifteen  
35 days of the decision to cancel. In either situation, the  
36 insurer may, within ten days of being notified of its  
37 rejection or cancellation, request a hearing before the  
38 commissioner, which hearing shall be held within  
39 forty-five days from the date the request is made.

**ARTICLE 15. ACCIDENT AND SICKNESS INSURANCE.**

**§33-15-14. Insurance commissioner to establish minimum benefits and coverages for an individual policy design; basic policy benefits; exemptions.**

1 (a) The insurance commissioner shall establish  
2 minimum benefits which may be included in any  
3 individual accident and sickness insurance policy  
4 issued pursuant to this article. The commissioner may  
5 accept bids on designs for such minimum plans and  
6 shall compile a final basic benefit plan for use by  
7 insurers within six months after the effective date of  
8 this article.

9 (b) The basic policy plan established by the insur-  
10 ance commissioner may include coverage for the  
11 services of medical physicians or surgeons, podiatrists,  
12 physician assistants, osteopathic physicians or sur-

6 benefits, a significant segment of the state's working  
7 population is unable to pay for many health care  
8 services.

9 (b) It is the purpose and intent of this article to  
10 authorize a program whereby employers may obtain  
11 affordable group accident and sickness insurance for  
12 currently uninsured employees that will increase  
13 access to health care, assist in the reduction of the  
14 amount of uncompensated care, and reduce the num-

1 (a) Each basic policy issued pursuant to this article  
 2 shall contain in substance the following:

3 (1) A provision that the entire contract between the  
 4 parties shall consist of the policy; the application of an  
 5 eligible employer for such a policy, a copy of which

 30 may be brought upon a basic policy issued pursuant to  
 31 this article shall be less favorable to an eligible  
 32 employee than would be permitted in the case of an

15 (B) The carrier does not involuntarily transfer, and  
16 never has involuntarily transferred, a health benefits  
17 plan into or out of the class of business; and

18 (C) The class of business is currently available for  
19 purchase.

20 (2) For a class of business, the premium rates  
21 charged during a rating period to small employers

23 similar coverage, or the rates which could be charged  
24 to such employers under the rating system for that  
25 class of business, shall not vary from the index rate by  
26 more than twenty-five percent of the index rate.

36 premium rate;

37 (B) An adjustment, not to exceed fifteen percent  
38 annually and adjusted pro rata for rating periods of  
39 less than one year, due to the claim experience, health

64 change in the case characteristics of the small  
65 employer as determined from the carrier's rate  
66 manual for the class of business.

67 (b) Nothing in this section is intended to affect the  
68 use by a small employer carrier of legitimate rating  
69 factors other than claim experience, health status or  
70 duration of coverage in the determination of premium  
71 rates. Small employer carriers shall apply rating  
72 factors, including case characteristics, consistently  
73 with respect to all small employers in a class of  
74 business.

75 (c) A small employer carrier shall not involuntarily  
76 transfer a small employer into or out of a class of  
77 business. A small employer carrier shall not offer to  
78 transfer a small employer into or out of a class of  
79 business unless such offer is made to transfer all small  
80 employers in the class of business without regard to  
81 case characteristics, claim experience, health status or  
82 duration since issue.

87 (e) All insurers subject to this article, effective the  
88 first day of July, one thousand nine hundred ninety-  
89 three, shall be prohibited from distinguishing more  
90 than four classes of businesses within its small group

92 (f) Prior to any increase of the anticipated loss ratio,  
93 the insurance commissioner must conduct a public  
94 hearing as required by section thirteen, article two of  
95 this chapter.

96 (g) If any health benefit plan is provided by an  
97 insurer through an association of small employers not  
98 in the business of selling insurance and with not less  
99 than two hundred cumulative employees, and if such  
100 association is rated on the basis of the number of

102 employers, such association or group is exempt from  
103 the provisions of this article.

**§33-16D-6. Insurance commissioner to promulgate rules.**

1 (a) Pursuant to chapter twenty-nine-a of this code,  
2 the insurance commissioner shall promulgate rules

13 increase, including, but not limited to, information  
14 obtained from the health care cost review authority  
15 and the national insurance commissioners association;

16 (3) Rules and regulations setting forth the proce-

1 (a) A health benefit plan subject to this article shall  
2 be renewable to all eligible employees at the option of

4 refuse to renew a health benefit plan for any of the  
5 following reasons:

6 (1) Nonpayment of required premiums;

7 (2) Fraud or misrepresentation by the small  
8 employer or by the insured individual;

9 (3) Noncompliance with plan provisions;

10 (4) The number of individuals covered under the  
11 plan is less than the number or percentage of eligible

13 requirements under the plan; or

14 (5) The small employer is no longer actively engaged  
15 in the business in which it was engaged on the  
16 effective date of the plan.

17 (b) A small employer insurer may cease to renew all  
18 plans under a class of business. Upon the small  
19 employer's election of nonrenewal, the insurer shall  
20 provide notice of such election not to renew to all  
21 affected health benefit plans and to the commissioner  
22 in each state in which an affected insured individual  
23 is known to reside at least ninety days prior to  
24 termination of coverage.

25 (c) An insurer which exercises its right to cease to  
26 renew all plans in a class of business shall not:

27 (1) Establish a new class of business for a period of  
28 five years after the nonrenewal of the plans without  
29 prior approval of the commissioner; or

30 (2) Transfer or otherwise provide coverage to any of  
31 the employers from the nonrenewed class of business

32 unless the insurer offers to transfer or provide cover-  
33 age to all affected employers and eligible employees  
34 without regard to case characteristics, claim experi-  
35 ence, health status or duration of coverage.

**§33-16D-8. Disclosure of rating practices and renewability provisions.**

1 (a) Each small employer insurer shall make reason-  
2 able disclosure in solicitation and sales materials  
3 provided to small employers of the following:

4 (1) The extent to which premium rates for a specific  
5 small employer are established or adjusted due to the  
6 claim experience, health status or duration of coverage  
7 of the employees of the small employer;

8 (2) The provisions concerning the insurer's right to  
9 change premium rates and the factors, including case

11 rates;

12 (3) A description of the class of business in which the  
13 small employer is or will be included, including the  
14 applicable grouping of plans;

15 (4) The provisions relating to renewability of cover-  
16 age; and

17 (5) An explanation, if applicable, that the small  
18 employer is purchasing a minimum benefits plan.

19 (b) All disclosure statements shall be presented in  
20 clear and understandable form and format and shall

2 principal place of business a complete and detailed  
3 description of its rating practices and renewal under-  
4 writing practices, including information and documen-  
5 tation which demonstrate that its rating methods and  
6 practices are based upon commonly accepted actuarial  
7 principles.

8 (b) Each small employer insurer shall file each first

9 day of March with the commissioner an actuarial  
10 certification that the insurer is in compliance with the  
11 provisions of this article and that the rating methods  
12 of the insurer are actuarially sound. A copy of such  
13 certification shall be retained by the insurer at its  
14 principal place of business.

15 (c) A small employer insurer shall make the infor-  
16 mation and documentation described in subsection (a)  
17 of this section available to the commissioner upon  
18 request.

**§33-16D-10. Suspension of requirements.**

1 The insurance commissioner may suspend all or  
2 part of the requirements of this article applicable to  
3 one or more health benefit plans for one or more  
4 rating periods upon a filing by the small employer  
5 insurer and a finding by the commissioner that either  
6 the suspension is reasonable in light of the financial  
7 condition of the insurer or that the suspension would  
8 enhance the efficiency and fairness of the marketplace  
9 for small employer health insurance.

**§33-16D-11. Effective date.**

1 The provisions of this article shall apply to each  
2 health benefit plan for a small employer situate in the

4 (a) Pre-existing conditions provisions shall not  
5 exclude coverage for a period beyond twelve months  
6 following an individual's effective date of coverage and  
7 may only relate to conditions which had, during the

9 date of coverage, manifested themselves in such a  
10 manner as would cause an ordinarily prudent person  
11 to seek medical advice, diagnosis, care or treatment or  
12 for which medical advice, diagnosis, care or treatment  
13 was recommended or received, or as to a pregnancy  
14 existing on the effective date of coverage.

15 (b) In determining whether a pre-existing condition  
16 limitation provision applies to an eligible employee or  
17 dependent, all health benefit plans shall credit the  
18 time such person was covered under a previous  
19 employer-based health benefit plan, a comparable  
20 individual health benefit plan, or a self-insured plan if  
21 the previous coverage was continuous to a date not  
22 more than thirty days prior to the effective date of the  
23 new coverage, exclusive of any applicable waiting  
24 period under such plan.

25 (c) Subject to subsections (a) and (b) of this section,  
26 when a small group employer converts its health  
27 insurance plan from one health insurance plan to  
28 another health insurance plan or from one insurer to  
29 another insurer, all eligible employees who at the time  
30 of conversion are covered by the health benefit plan  
31 must be offered health benefits coverage under the  
32 subsequent plan, and no employee who at the time of  
33 conversion is covered by a health benefit plan offered  
34 by said employer may be treated any differently  
35 relative to other covered employees under the new  
36 health benefit plan than he is treated under the  
37 current health benefit plan.

**§33-16D-13. Obligations of employer; discrimination as to  
benefits paid.**

1 Any employer subscribing to a health care benefit  
2 plan for or on behalf of its employees pursuant to this  
3 chapter shall not discriminate against any eligible  
4 employee on the basis of such employee's status with  
5 the employer by paying for all or part of the health  
6 care benefit plan premiums in a manner different  
7 from that provided any other eligible employee:  
8 *Provided*, That any participating small employer must  
9 pay at least twenty-five percent of each eligible

10 employee's health care benefit plan premiums.

**ARTICLE 24. HOSPITAL SERVICE CORPORATIONS, MEDICAL SERVICE CORPORATIONS, DENTAL SERVICE CORPORATIONS AND HEALTH SERVICE CORPORATIONS.**

**§33-24-4. Exemptions; applicability of insurance laws.**

1 Every such corporation is hereby declared to be a  
 2 scientific, nonprofit institution and as such exempt  
 3 from the payment of all property and other taxes.  
 4 Every such corporation, to the same extent such  
 5 provisions are applicable to insurers transacting
