552 continue to hold their offices as members of the House
553 of Delegates for the term, and as representatives of the

562 (e) In amending and reenacting this section, it is not
563 the intention of the Legislature to alter or change the
564 arrangement of the delegate districts and the apportion-
565 ment of delegates as they were intended to be adopted
566 in the prior enactment of this section subsequent to the
567 United States census for the year one thousand nine
568 hundred ninety. Rather, it is the intent of the Legisla-
569 ture in amending this section to have the language
570 comport with the maps relied upon by the Legislature
571 and the map attached to Enrolled House Bill 301 (1991
572 third extraordinary session) and to correct certain other
573 technical errors, such amendments being necessary to
574 reflect the intention of the Legislature at the time of its
575 initial reenactment of this section after the census.

The Joint Committee on Enrolled Bills hereby certifies that the foregoing bill is correctly enrolled.
