Passed March 29, 1993

In Effect April 1, 1993
AN ACT to amend and reenact section one, article six, chapter five of the code of West Virginia, one thousand nine hundred thirty-one, as amended, relating to continuation of the state building commission.

Be it enacted by the Legislature of West Virginia:

That section one, article six, chapter five of the code of West Virginia, one thousand nine hundred thirty-one, as amended, be amended and reenacted to read as follows:

ARTICLE 6. STATE BUILDING COMMISSION.

§5-6-1. Name of state office building commission changed; composition; appointment, terms and qualifications of members; chairman and secretary; compensation and expenses; powers and duties generally; frequency of meetings; continuation.

1 “The state office building commission of West Virginia,” heretofore created, shall continue in existence but on and after the ninth day of February, one thousand nine hundred sixty-six, shall be known and designated as “The state building commission of West Virginia” and shall continue as a body corporate and as an agency of the state of West Virginia. On and after the date aforesaid, the commission shall consist of the governor, attorney general, state treasurer and four additional members to be appointed by the governor by and with
the advice and consent of the Senate. The terms of office for said members to be appointed by the governor shall be four years, except that the terms of office of the first four members so appointed by the governor shall be for one, two, three and four years, respectively. No more than three of such members so appointed by the governor shall be members of the same political party, nor shall any of said members be members or employees of the executive, legislative or judicial branches of government of West Virginia or any political subdivision thereof. The governor shall be chairman of the commission. The secretary of state shall be a member of the commission and serve as its secretary, but shall not have the right to vote upon matters before the commission. All members of the commission shall be citizens and residents of this state. The members of the commission shall be paid or reimbursed for their necessary expenses incurred under this article, but shall receive no compensation for their services as members or officers of the commission: Provided, That each member of the commission appointed by the governor shall, in addition to such reimbursement for necessary expenses, receive a per diem of thirty-five dollars for each day or substantial portion thereof that he is engaged in the work of the commission. Such expenses and per diem shall be paid solely from funds provided under the authority of this article, and the commission shall not proceed to exercise or carry out any authority or power herein given it to bind said commission beyond the extent to which money has been provided under the authority of this article. On or before the fifteenth day of each month, the commission shall prepare and transmit to the president and minority leader of the Senate and the speaker and the minority leader of the House of Delegates a report covering the activities of the said commission for the preceding calendar month.

After having conducted a performance audit through its joint committee on government operations, pursuant to section nine, article ten, chapter four of this code, the Legislature hereby finds and declares that the state building commission should be continued and reestablished. Accordingly, notwithstanding the provisions of
section four, article ten, chapter four of this code, the
state building commission shall continue to exist until

four.
The Joint Committee on Enrolled Bills hereby certifies that the foregoing bill is correctly enrolled.
